GiGi,
Throughout my Eagle Rock years I always noticed you and always wanted to get to know you. We finally met in P.R. That class was my favorite of any I've ever been in because there were so many foxy girls in there to keep me busy staring, you must of seen me staring at you at least? But for some reason I always found my self oogeling at Teri Estay (jokes). But anyway I'm really glad I got to know your all what I wished you'd be the foxiest..... Too bad your moving to the Palisades, good for you bad for me. I know you'll dig it alot living there especially if you get that job. I'll come down and visit you often So give me the new telephone, address etc. Hope you have the bitchenest summer you have ever had. What ever career you choose I hope you make out Hops.

Your Lover,
Chris

Gigi - Hi honey! Well I never did
know you my Prom picture - I'll try to
remember for Monday, okay? Well,
Gigi we've gone through a lot together
in the past four years and I don't think
I'll ever forget you. Remember the godfather
part II and Frankie's party? And can we
ever forget Christian Perez? Kind Kaps? Ah, life
is full of memories. It seems like graduation
is the end, but it's only the beginning. God, I'm
scared right now - I'm getting so emotional.
Just remember, Gigi, you have the potential
to do great in life - you're pretty and smart.
If you ever need to talk to me, I'll be there kid,
okay? Love ya Write me at Oxy write you, okay? Well,
God bless you. I love you,

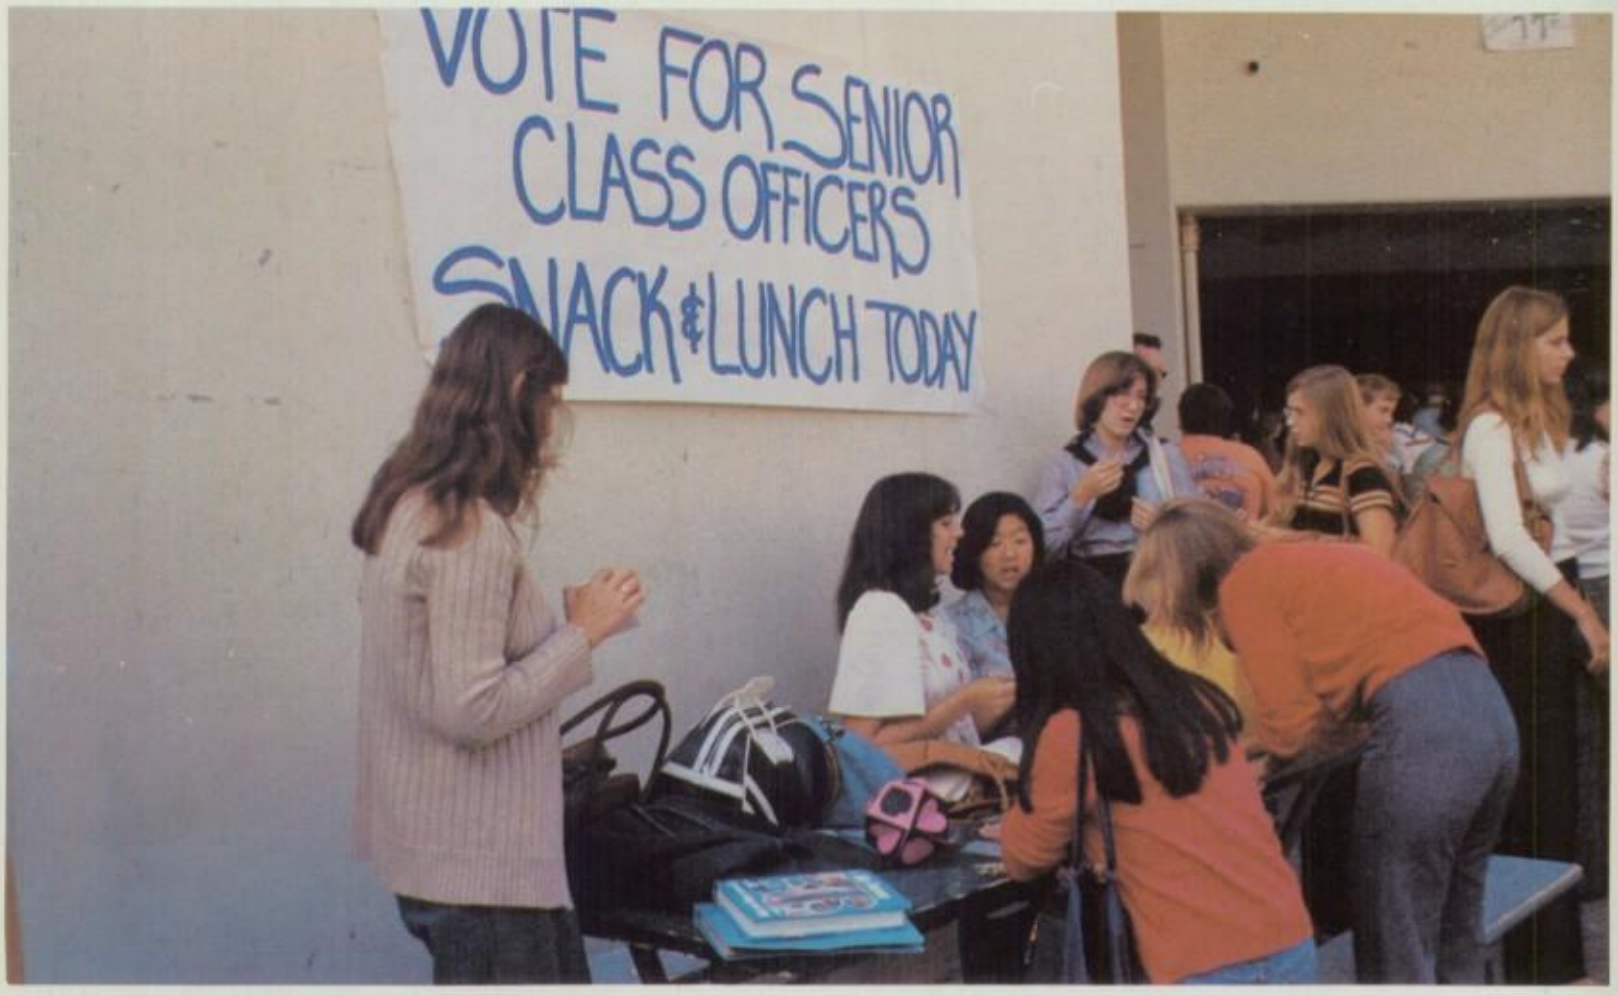
THE GOLDEN YEAR OF PEOPLE - SR. HIGH



When Eagle Rock opened in 1927 only 800 students were enrolled. Fifty years later, more than 2300 students attended this unique six year high school.

The curriculum for senior high included college preparatory classes such as advanced placement history and English. These classes helped students acquire college credit. Shop classes provided a chance to display special skills.

Senior high activities included voting for class name and colors. Juniors participated in the excitement of sweater day. Senior class officers were elected. The prom and graduation exercises finalized a golden year.

Senior high at Eagle Rock began with the meeting of new friends and the setting of new goals. It ended a special year with a golden memory.

Seniors hold class elections at the leadership table.

Ozzie Flores enjoys the results of his cooking class.

Brian Arndt sells balloons during sweater day.

Teri Scott demonstrates sweater day spirit.

Juniors enjoy the AP History class at our school.

Gigi,
It's been five short years since you came into Mr. Friedman's class as a gorgeous Eight-grader. Five years later, you're still beautiful. What can I say? You've been the sunshine in my life for all the time I've known you. You've never failed to be all things a girl should be. I hope you find everything you're looking for, may it be lasting happiness or a lasting fun. I'll write you from Dartmouth because I want to keep in touch with someone like you.

Anyway, remember me and remember all the fun times we've had. I wish we could have done more, but I love you just the same. Keep smilin' kid.

Love, Tuck

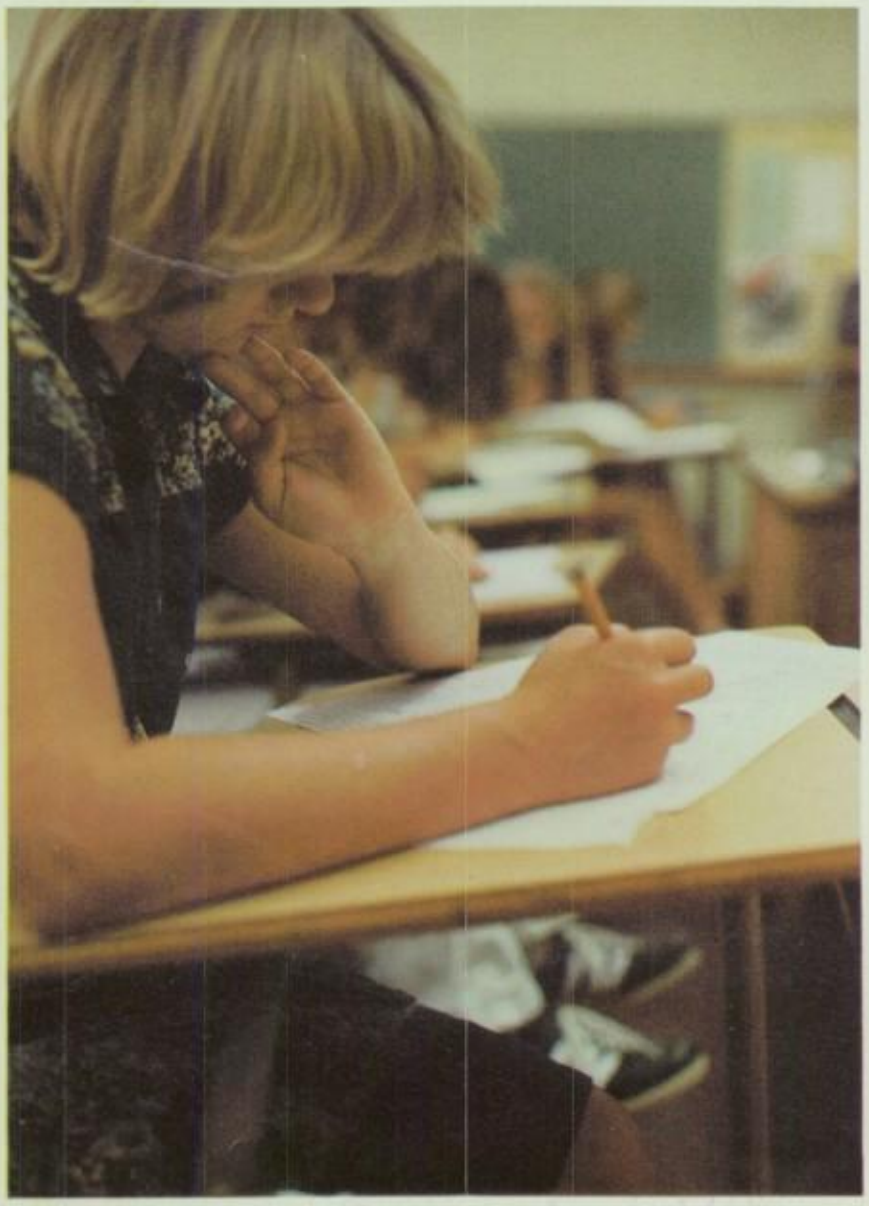
THE GOLDEN YEAR OF ACADEMICS



Academics is the spirit of learning, it's the spirit to press one's mind to the highest attainable limits or to shoot for the top in pursuance of a career. In the past fifty years these values have been achieved by classes from '27 to '77.

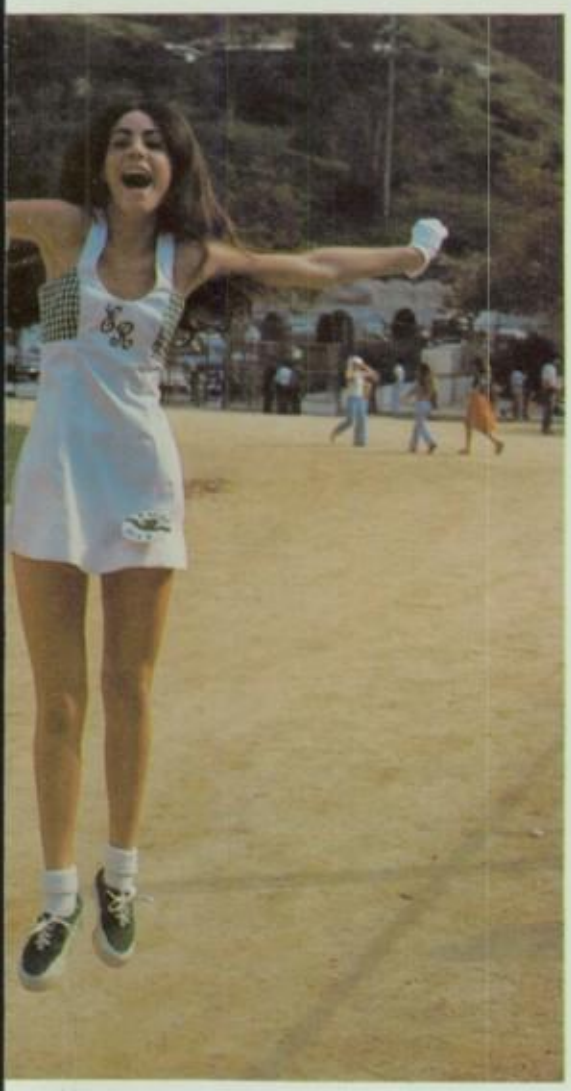
Many changes, however, have occured in the past 50 years of academic pursuit at ERHS. Special programs were developed to aid the educationally handicapped. ROP classes were created to advance career oriented education in Business Office, Health, and Child Care occupations. Gifted students of ERHS have participated in academically enriched courses and afterschool programs.

The Class of '77 had to acquire the largest number of credits in the 50 year history of ERHS-165 in all. This one fact states clearly that the admirable academic tradition of ERHS will be upheld as we begin our next 50 years.

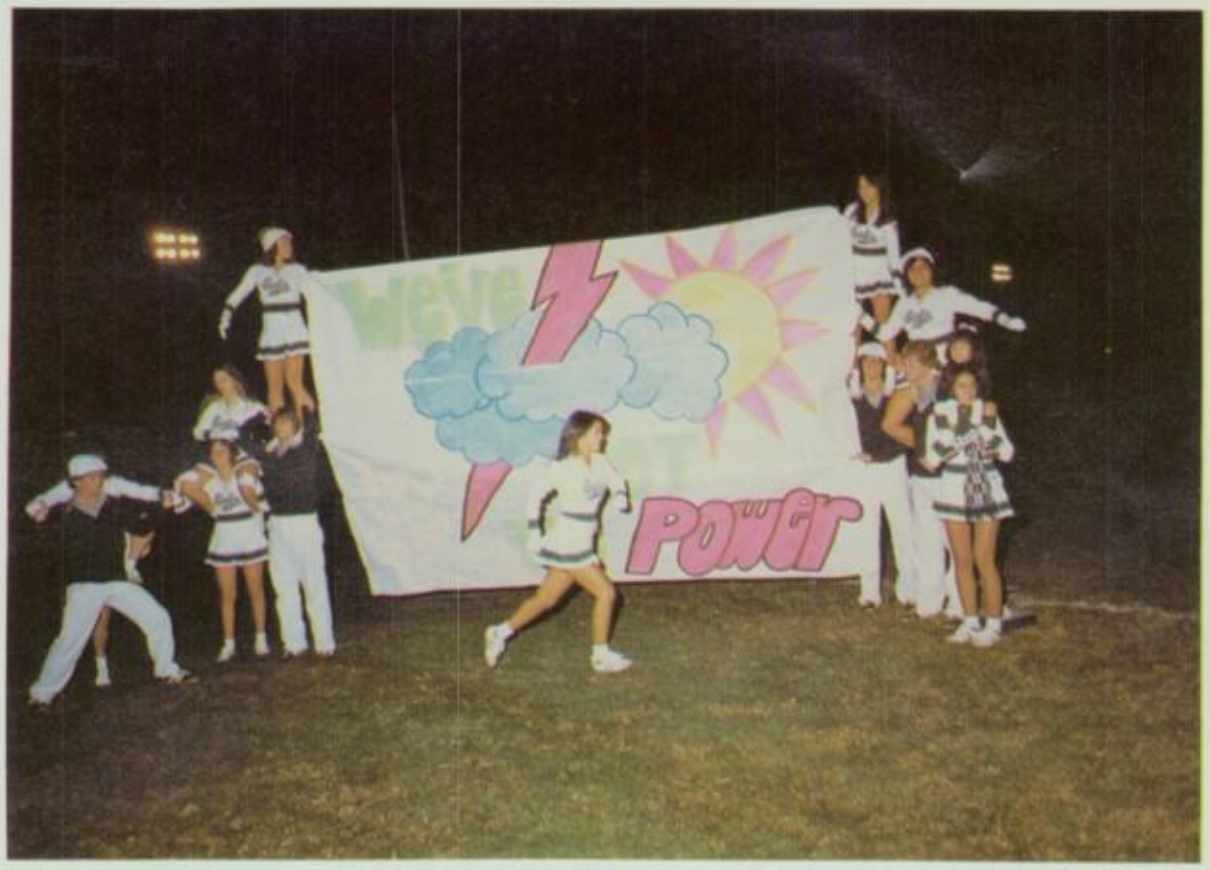
THE GOLDEN YEAR OF SPIRIT

The Drill Team fires up school spirit at a pep really.

Spirit always existed at Eagle Rock. Fifty years ago there were only three male cheerleaders. Drill Team did not exist. This year there were 15 cheerleaders and a Drill Team consisting of 76 girls. Spirit really increased in '76. Twirlers and Banner girls helped to encourage more spirit. The crowd got into the cheers and made it easier for the Varsity Cheerleaders to use their techniques learned at summer camp. The fans helped to fire-up the team spirit. Teamwork and enthusiasm is what spirit is all about.



FAR LEFT: America Bustamante shares her enthusiasm with the crowd when the Bee's gain yardage. BOTTOM: Varsity Cheer and Yell Leaders wait for the team after half-time.



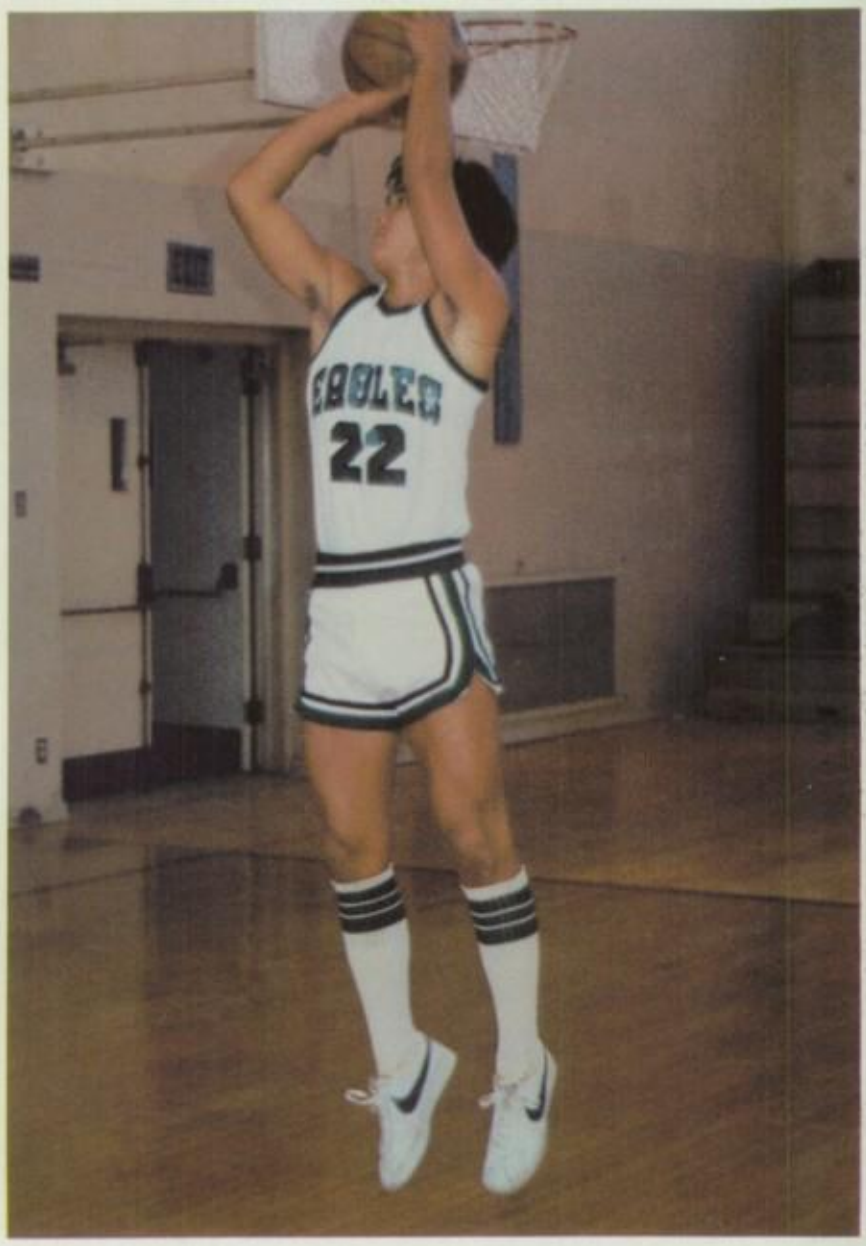
LEFT: Pep Club celebrates a touchdown. ABOVE: Rosana Carbajal always gets the crowd going.

Over the years, sports and Eagles have been familiar words. They have represented the Green and Gray spirit, pride, and teamwork.

Sports have brought Eagle Rock students closer together. Various organizations have cheered the Eagles on to victory. Throughout the year, approximately one half of the students participated in the excitement of competition. Camaraderie in sports encouraged athletes and strengthened our school pride. Teamwork and enthusiasm worked to attain that desirable goal - victory.

Sports continued to provide a favorite school pastime for fans and athletes.

The Eagles celebrated their fiftieth year of sports with both victories and defeats. May the determination and spirit of this Golden Year shine on forever.



Craig Tom attempts to score for the Varsity.

#15, Quarterback, Glenn Goldin, hands off the ball to #32, Babe Blohm, for a sizable gain against North Hollywood.

THE GOLDEN YEAR OF SPORTS

Richard Rodriguez runs on a reverse against University.

Mark Lewis and Pat Brennan support a teammate after a grueling race.

Seniors Mark Georgette - #10 and Jay Blohm - #63 in action against University.

Your football player

Eagle Rock High School remained the only Los Angeles school that had both junior and senior high. Junior high students were members of the football, swim, basketball, and track teams. Junior high girls joined Pep Club and cheered for the football team, while other junior high students played in the marching band.

Some basic junior high classes were English, math, history and science. Sewing, cooking, shops and typing were offered as electives.

Many seventh grade boys took sewing and cooking and many seventh grade girls took shop classes for the first time at Eagle Rock.

GEEG!!!
I just realized we won't see each other any more... How SAD! ☹ Guy, remember the "ASSUMS" & Scott, & your Europe trip, & the club beach parties!! We had so much fun & I'm gonna miss you LOTS! You better write to me this SUMMER & SEND ME ♪♫'s! Maybe we can get together & go to the beach! Geeg, my Lover, It's so SAD that we're leaving! Well cutie, you better give me a good-bye KISS AT GRADUATION! ♥ Love you Lots & Lots & Lots,

JUDE (YOUR LOVER! ♪♫) YEA SWIM times!

Hey,
This is different than writing in a totem before because this time we won't be seeing each other as often afterwards. It's been a great four years knowing you. I remember in the eighth grade when I used to hear your name, I wondered ~~your~~ who you were. I'm glad I found out. A lot of times during the years we didn't talk that much but I always still thought of you as a great person and true friend. On second thought, we did talk a lot during the past. (Chemistry, football, etc). Whatever, I have nothing but good memories of you. You always have a certain charm about you. You seem to carry happiness and a smile wherever you go - the world needs more kind of people like you. You were the best DT pal I ever had. I hope you enjoyed it as much as I did. Don't think I thought less of you when you drink or smoke. That stuff doesn't make or break a person. You have a lot of talent to work your life around. Try to make the best of it. I'm really gonna miss you. Hopefully, I'll see you during the summer. Have fun during life. Be careful. Strive to be happy.

Love (your football player),

Mark - #10

CLASS OF 1977

As seniors, we can't help but reflect on the past fifty years which will be forever golden in our minds. Now that our high school years are coming to a close, our true pride and spirit comes into light. Being a senior is something special. Celebrating our 50th Anniversary has enriched our year of commencment.

On behalf of the entire senior class, I would like to thank our adviser Mr. David Wallett for his never ending patience and ever valuable advice.

Yes, we will remember 1977 for it was truly our Golden Year.

A NIGHT TO REMEMBER . . .

Fans beginning to cheer; green and gold sparkling everywhere began a night to remember . . .

At 7:30 p.m. in the football stadium of East Los Angeles College, the procession of the court began. Drill Team headed the procession by marching into the stadium. Eagle Rock's Cheer and Yell followed and fired up spirit as they arrived in bright red fire trucks. Queen Lorie, First Princess Leslie, Second Princess Aana, Third Princess Linda, and Fourth Princess Robin were chauffeured in new Fiats. After being escorted by their fathers, the traditional crowning of the court was performed by five chosen football players. The girls were then escorted by Knights to their thrones where they watched the game.

Homecoming has always been a special night, full of excitement and fun. Many Alumni never fail to attend the game. Parents are also great supporters. In spite of the team's loss to Franklin, Varsity 6-16 and Bees 0-6, good memories of Homecoming 1976 will live on.

Escorted by Knight Doug Turner, Queen Lorie watches the game from her throne.

D Gigi (Geege) hi sweethearts can you believe it? Graduation already - it came so fast. We're really had alot of fun and Im super glad we're friends. Remember all of the good old days in Mr. DiContis with the inseperable six: you, Cindy, Judy, Pam, debbie, and me?? That was fun. And I remember all of the boy friend problems you used to have. DLM. That was so much fun - we should really go out and paint the street again. And if you go away I'll write you a 20 page letter. Remember that party you had where you got sick and has to leave. it was sad but fun. And I'm glad That we had JPR together because that was fun and we got to talk again cause I don't see you very often. But cutie, I hope we'll always be friends and that we'll keep in touch. Take care and call me up sometime. 254-4147.

EAGLE ROCK THROUGH THE YEARS

Eagle Rock High School celebrated its Golden Anniversary in 1977. The community's history dates back much further.

THE LEGEND OF THE ROCK

In the days before Jose Verdugo owned the valley of the San Rafael Hills long before the Spaniards called the great boulder the "Fat Rock," a large band of Indians camped in the plains below the great rock.

The warriors lolled about and told stories of combat and victory to the young men, while the squaws scratched in the soil, or lugged logs for the fire, carrying their papooses on their backs.

One little baby lay on a skin, gazing at the soaring birds in the sky overhead.

Suddenly, in one mighty circle, an eagle dropped upon the baby, and seizing it in its talons arose swiftly and flew eastward toward the great rock. Soon, the whole tribe was chasing the huge bird and shooting at him with their arrows. They could not kill him, and fell to the earth cursing him. They called to the sun god to aid them, "Let his shadow not pass the gray rock! Let him crush himself upon it and turn to stone!" Dropping the infant unhurt below, the eagle dashed against the rock. The imprint of his huge body remained in the rock forever.

The above photo is of Oak Knoll Drive in 1909.

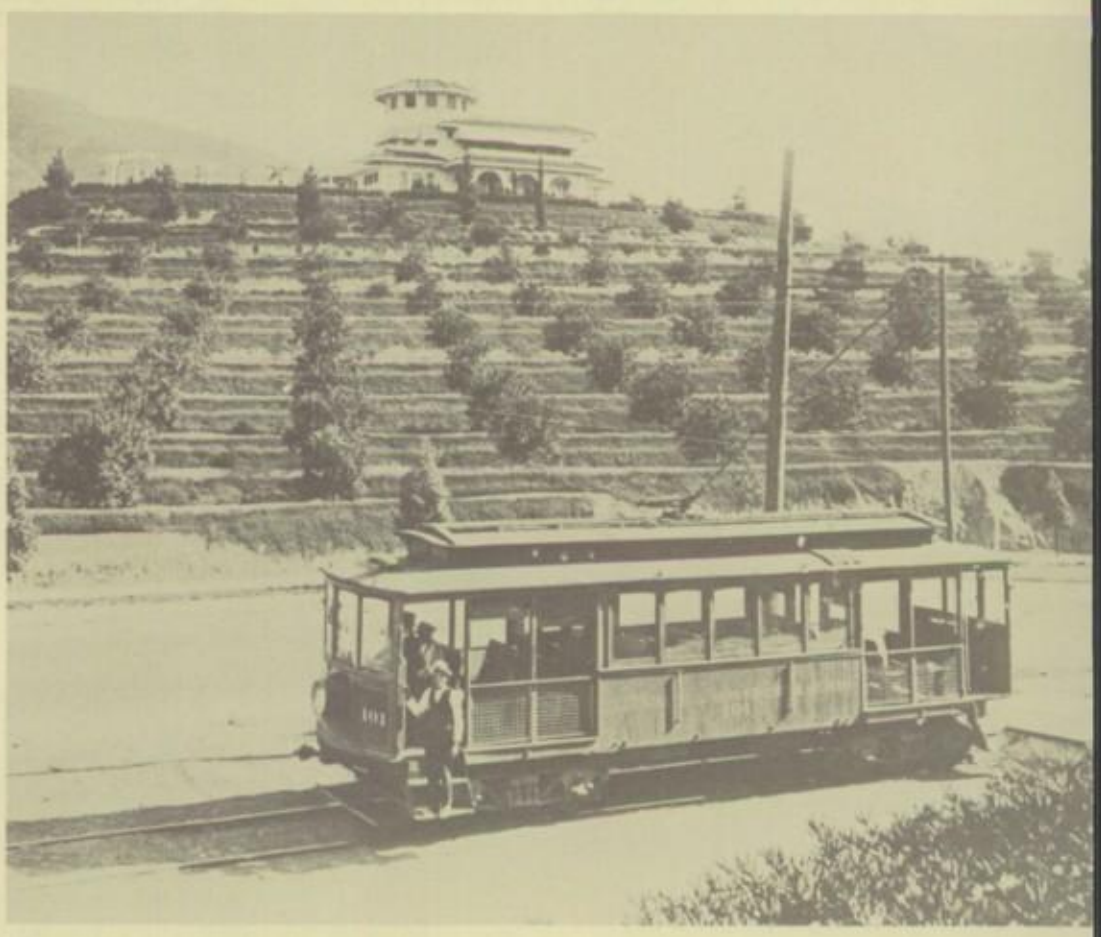
The lower picture is an early photo of the Eagle Rock before the community was developed.

In the early 1900's many Chinese people worked on the ranches around Eagle Rock at the time the revolt against the Manchu Dynasty began. An American sergeant named Ansel O'Banion was engaged to train these local Chinese as officers for a Chinese revolutionaire army. From 1905 to 1911 O'Banion and his Chinese troops would often be seen hiking about the countryside on their field training, occasionally parading down Colorado Boulevard in their uniforms.

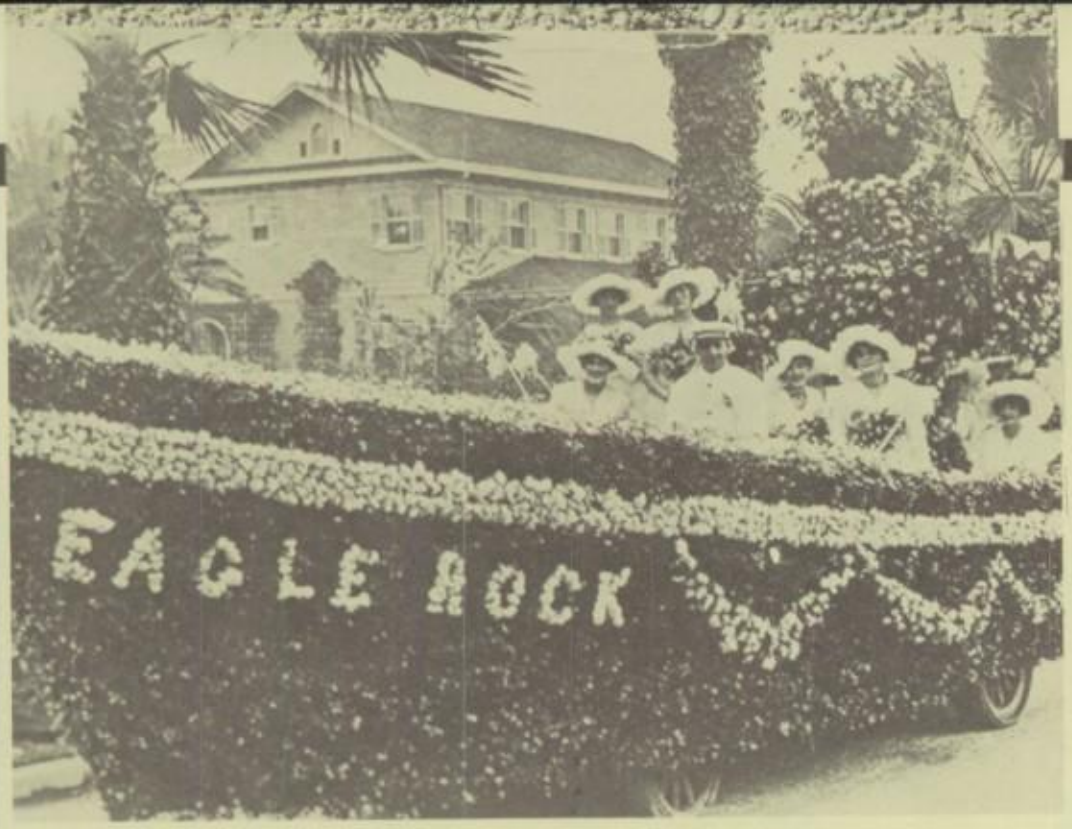
The first inhabitants of what is now Eagle Rock are thought to have been a group of Shoshone Indians named Gabrielenos (after the mission). They had migrated from Arizona, Utah, and the California desert, settling from Ventura to modern Orange County. The Indians camped in and around the Eagle Rock area from Yosemite Park to the canyon below the Eagle Rock. The area supported only 200 persons who were extinct by the 1850's.

During the 1700's, while Spain was in control of California, a man named Jose Maria de Verdugo was a soldier of the King of Spain, and the Corporal of the Guard at the founding of the San Gabriel Mission. He married and began raising cattle to support his family. He found the pastures to the west of the Arroyo Seco ideal for cattle ranching and petitioned to Governor Pedro Fages for grazing rights. In 1784, Verdugo was granted 36,403 acres of land for his ranch. Using modern landmarks, the ranch included areas of Burbank, Glendale, Eagle Rock, Highland Park, Mt. Washington, Flintridge, Montrose, Pasadena, La Cresenta, and La Canada. Jose Verdugo died in 1831 leaving the ranch to his two children.

In 1848, when the U.S. took over California, the government set up a land commission to pass on all Mexican land titles. In 1861 the Verdugo children mortgaged the ranch but after eight years were unable to pay the debt. The ranch was put up for public auction and sold to Alfred Chapman for $58,750. In 1870, following more court battles, the ranch was subdivided into thirty-one parcels. The largest part went to Benjamin Dreyfus who was awarded 8,000 acres, including most of Eagle Rock and part of Glendale. Dreyfus used the land to raise sheep and to farm grapes for his winery. The land was later sold to American land speculators.



In 1906 it was possible to take a trolley car from Colorado Blvd. and Townsend Ave. all the way to Inglewood for only 5¢. This streetcar, called the Dinky, ran from Glendale to the Eagle Rock center for twenty years. At the intersection of Eagle Rock and Colorado Blvds. there was a shaded turntable for the trolley cars where they changed routes and often were stored for short periods of time, as illustrated in the picture on the opposite page.



The Los Angeles suburb of Eagle Rock was first named by Huntington's Trolley System in August, 1906. At the time it was mostly farmland. The community grew quickly in the next three years; twenty-two miles of paved highway were completed and many beautiful homes were built.

In 1911, Eagle Rock citizens got a charter making Eagle Rock its own separate city. The community maintained its own fire and police departments as well as a small central school.

Eagle Rock was an active city. Citizens often submitted a float to the Rose Parade as a community effort. In 1917 Eagle Rock won first prize for its float.

Eagle Rock also participated in world affairs. The Eagle Rock Park was the site of the first Boy Scout outing in America. The 1910 outing took place within three months after the Scout charter had been written.

Twelve years after Eagle Rock became a city, residents voted to become part of Los Angeles in 1923. Eagle Rock was promised an adequate water supply and an upgraded school system, including a junior and senior high school. The city hall, shown in the photo at the left, was converted into a community building still used today.

IN THE BEGINNING

The stock market plunged on October 24, 1929. The Great Depression had begun. It lasted until World War II, causing great hardships for many Americans. They found their escape from reality through the magical world of fantasy.

That box in the living room was everybody's ticket to adventure, laughter, sweet music, and romance. Telephone use dropped 50 per cent; car thieves had an easy time on empty streets; and many movie theaters closed down as millions of Americans tuned in to the radio. As the audience supplied the pictures in their imagination, the radio brought the sound to form many well known programs in the 30's. Housewives started each day with the drama serial "Our Gal Sunday." The show began with, "Can this girl from a mining town in the West find happiness as the wife of a wealthy and titled Englishman?" Folks turned to comedy with such shows as Amos 'n' Andy, Edgar Bergen and his sidekick dummy Charlie McCarthy, Jack Benny and Mary Livingston, Ozzie and Harriet, Fibber McGee and Molly, and a musical show with Kate Smith.

Radio encouraged the dance band era. Many listened to the notes of Tommy Dorsey, Benny Goodman, Guy Lombardo, and Glenn Miller, opening a new era of swing fever.

As a Halloween joke in 1938, CBS and Orson Welles (right photo) presented a radio play based on "War of the Worlds." The show caused a panic. Most listeners apparently were too frightened to hear Welles chuckling the last line: "If your doorbell rings and nobody's there, that was no Martian. It's Halloween."

DEPRESSION YEARS

Hard times hit America during the Depression years of the 30's. The first class party at Eagle Rock High School in 1932 was a "jovial hard times party." Student Council voted that year to donate $1,089.52 to help feed 10,000 needy Los Angeles children.

Eagle Rock was not a poverty stricken suburb. The new high school had just been completed. It was one of thirty special experimental high schools in the United States. A teacher's beginning salary at a city high school was $180 a month.

Operas were given as student productions throughout the 30's. Each year the Agriculture Club presented an annual flower show. They also sponsored pet shows and entered stock judging contests.

Two graduations were held each year for the winter and summer classes. Two proms were also held each year.

Semi-annual yearbooks were often produced. The W '33 Totem was printed on campus, contained thirty pages, and cost $.25.

A new cinematography class experimented in this new medium and produced "Harbor Scenes." Their motion picture won first prize in the California amateur contest.

Two thousand students were enrolled in Eagle Rock High School by 1937, but enrollment dropped to 1300 that same year when two new junior high schools opened in the area.

Absolutely no one who spent his time at the movies would ever have known that the nation was down in the dumps. Hollywood's "Heaven on Earth" was a deliberate and enormously successful effort to provide escape for all for a measly 10¢ admission for children and 25¢ for adults.

It was rumored in the 30's that Warner Brothers wanted to purchase land in Eagle Rock to start the motion picture capital of the world. Local theaters gave door prizes that ranged from coupons for free hairdos to shiny new automobiles.

WAR YEARS DOMINATE 40'S

The 1940's were dominated by war efforts. After the attack on Pearl Harbor on December 7, 1941, America geared itself for an all out effort to win World War II with her Allies.

More than 55 Eagle Rock graduates were killed during the war while serving in the armed forces. So many high school students joined the armed services during the school term of 1942 that several dozen yearbooks remained unclaimed at the end of the year.

School organizations supported the war effort in many activities. A school victory garden was tended by students.

"To aid our country we're on our knees,
Planting potatoes, tomatoes, and peas."
Totem '42

Clubs organized bond drives and rallies. One group regularly held school air raid drills.

ABOVE: Ralph Sherman and Henry Welcome help yearbook staffers assemble material at the local historical society. LEFT: WACS practice with gas masks.

The 1950's was a time dominated by conservative beliefs, new fads, television, and political fears.

Eagle Rock High School formed a Korean Club that raised enough money to send the president, Dennis Peters, and his staff to Korea to meet with General MacArthur to assess the war situation.

The scare of communism was so great that the army was suspected of having "commies" in their ranks. The Army-McCarthy hearings, televized nationally, were set up to root out these "pinkos."

Customs of the 1950's were influenced by fads. Dominating the scene were hula hoops, Doodles, and Davy Crockett hats. Flying saucer sightings also became a familiar occurrence until one was sighted every week. In 1951, various "flashes" were reported in the Eagle Rock area that were described as "atomic flashes" and "flying saucers" and "men from Mars." As it turned out, all these mysterious objects were just two ERHS service groups, Mosh and Knights, competing for ads.

The Eagle Rock was constantly being defaced. Franklin High School students frequently doused the Rock with paint until it suddenly spawned shades of white, orange, and green. Angered residents met often to discuss ways of protecting the Rock, including the assignment of a regular police patrol. Nature also struck out at the Rock with the 1952 Tehachapi earthquake that registered approximately 8.0 on the Richter scale and caused a section of the Eagle's wing to drop off.

The period of the 1950's was a time when all Americans were forced to re-examine old political beliefs and lifestyles, thus setting the stage for the violent decade to come.

THE RADICAL YEARS

Eagle Rock Sentinel

The 1960's was a period of great social upheaval. Both progress and calamity highlighted the era.

Business and commerce thrived in Eagle Rock. A new concept in shopping, the shopping center, opened in the Mayfair-Savon complex. So successful was this new concept that in the following decade a larger, more thorough center was built as the Eagle Rock Plaza.

Progress, however, often stirred up controversy. When Glendale proposed to build a dump road through Scholl Canyon, many Eagle Rock residents felt it would destroy Eagle Rock with its quaint, untouched atmosphere. Another big squabble was the proposed freeway and its three alternative routes, all cutting through Eagle Rock. When the freeway finally was under construction, many Eagle Rock residents sold their homes for fear of unbearable noise.

Calamity also affected Eagle Rock leaving an indelible mark of grief and fear. The worst disaster ever to strike Eagle Rock came on March 17, 1964, when a gigantic brush fire swept down from the northern hills and engulfed home after home in the foothills above the community. Soot blackened the area as a result of a tremendous fire storm that created winds of up to 100 miles per hour. Other unforgettable moments in the 60's remain engraved in the minds of many Eagle Rock residents. In 1965, riots broke out in Watts, no more than fifteen miles away from Eagle Rock, resulting in violent deaths, massive fires and extensive looting until federal troops stepped in to keep order. Another frightening moment took place in 1969, when Charles Manson and his followers committed several murders in the Los Angeles area, two of which took place in the Los Feliz district only six miles away from the community.

War dominated the political scene as the nation plunged into the Vietnam conflict. Over 50,000 American men lost their lives during the war. The war took such a heavy toll that a 25 member Eagle Rock baseball team, organized in the early 60's, lost over one third of its players to the war by the end of the decade. The Vietnam War also provoked war protests throughout the country that resulted in a totally new culture.

The "hippie" movement introduced long hair, hard rock music and mass "love-ins", all a protest to the status quo. Psychedelic designs added a new dimension to clothing styles and sometimes few clothes were worn at all.

E.R.H.S. FACULTY THROUGH THE YEARS

Eagle Rock High School first opened its doors on September 12, 1927. Students of the area had previously attended Glendale High School.

The first student body consisted of 750 students, forty-three of whom were the first graduating class two years later. Helen Babson, the first principal, directed a faculty of 56 members. She remained principal at Eagle Rock for more than seventeen years. In 1977 Eagle Rock celebrated its Golden Anniversary. Enrollment reached more than 2400. More than 100 teachers were members of the faculty. Eagle Rock High School has had only five principals over the past fifty years.

Many changes have taken place at Eagle Rock. Although Eagle Rock High has always been a six year institution, in early years the junior high school buildings were physically separate from the senior high.

Changes have also taken place in curriculum. Acappella choir, music appreciation, music theory, orchestra, costume design, radio, and salesmanship, along with others, are a thing of the past.

Dear Gigi -
Don't ever forget that you are a beautiful young lady. You must stop thinking unpleasant thoughts of yourself. Unhappiness attracts nothing, joy will attract only goodness and love. Gigi we all love you - you must remember that: My grandfather ~~Alis~~ once said "Life gathers where there's a song". If you let yourself, life will reveal love, happiness and fulfillment. I have loved you without you're even trying - and so will others. There are many new and wonderful things awaiting you in life - do not be afraid, for one as sweet as you deserves only happiness
Love always,
Vicki Wasil

FIFTY YEAR SPORTS REVIEW

When Eagle Rock first opened its doors in 1927, it offered students more than just a chance to increase their academic knowledge. It gave them an opportunity to compete and to excel in athletic activities and organized sports.

During the first decades, many new sports developed as student interest grew. In 1928, the first football teams were formed. Although new and inexperienced, the Cee team went on to tie with Burbank for the league championship. Three Eagle Rock track men made it to the Southern California track finals and took second place in 1931. During 1932, the Cee basketball team won their league title, while the Bee track team took their Valley League title.

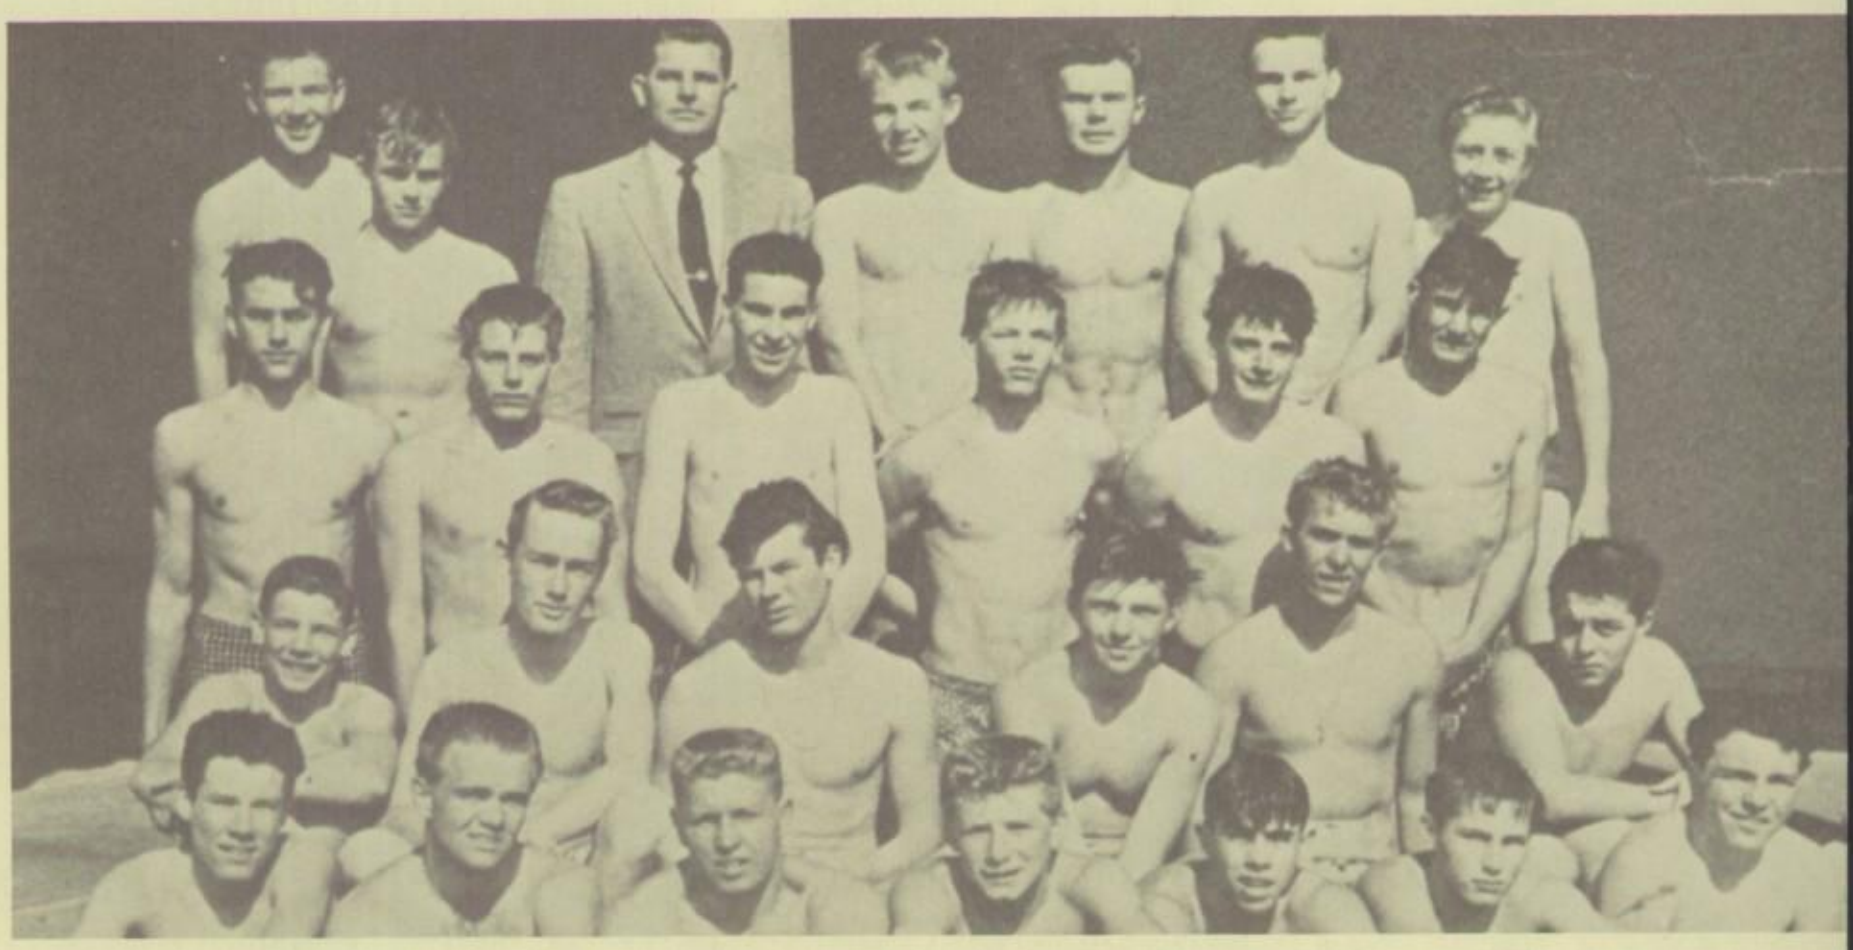
The varsity football teams had their winning seasons, taking the championship in 1933, '38, and again in '39. By 1937, the Bee track team had accumulated six straight titles in their division. In that same year, the varsity basketball team won their title after losing it three years earlier by a mere two points. Tennis also showed its strength by having championship seasons in both 1935 and 1939.

During the decade of the 40's, sport activities slowed as the war continued. In 1943 the Eagle Rock teams were transfered from the Valley League to the Northern League as war time restrictions were put into effect, cutting down on travel and gasoline because of a gas shortage. Eagle Rock returned to the Valley League in 1946.

The memorable 50's brought with them championships as well as a new sport. Swimming was added to the curriculum, with the first team forming in 1955. In that same year, four long standing track records were broken by Eagle Rock tracksters. Varsity football became one of two undefeated teams in the city as they took the title in 1956. Through the efforts of the student body, an electrical scoreboard was bought and added to the field in 1957. Possibly motivated by the new addition, the varsity football team went to the city-playoffs for the second time in E.R. history. Both cross country teams, as well as the varsity, Bee, and Cee track teams took their league titles that year. With the coming of 1959, a girl's field was added to the school's campus in the hopes of organizing team sports for the girls.

The varsity football team began the 60's with the league title and a winning performance at the Milk Bowl Game against Garfield. This decade saw the Bee football team win their title six times. It also brought league victories to the varsity track team in '63 and the Bee basketball team in '66.

With the 70's came a rise in girls' sports and activities. Sports offered were volleyball, badminton, basketball, softball, gymnastics, and tennis. Girl's track was added in 1977. In 1973, all E.R. swim teams took their league titles. The tennis team, varsity track, and Bee basketball also took their respective titles. Both the varsity and Bee football teams went through undefeated seasons in 1974. The swim teams again swept their divisions with victories in that same year. Also in '74, the varsity tennis team, being the best in the history of the school, placed third in the city after losing to first place Taft in a tiebreaker. The cross country teams took their titles in 1973 and in '70 and '74 as co-champs. During the 70's, co-ed swimming and gymnastics emerged.



The first organized swim team of Eagle Rock was formed in 1955. They had already gone four for four in league competition when this picture was taken.

MIDDLE LEFT: The '37 Bee track team victory marked the sixth straight year that title was taken by them.

LOWER LEFT: In 1937, the varsity basketball team took their Valley League title.

BELOW: Few girls' sports were organized in the first years of Eagle Rock. Basketball was just one of the many sports that would be offered in upcoming years.

ACTIVITIES REMAINED A HERITAGE OF E.R.H.S.

The story of Eagle Rock High would not be complete without a word about the school's great variety of clubs and their activities. It would be hard to count all the organizations that have spent time here at the Rock. Each had numerous and unique responsibilities and activities.

It seemed that most club activity took place in the 50's and 60's. Before that, only a few clubs existed. Although many of the clubs are not around today, their activities have left lasting impressions on many an E.R. graduate.

Many of the old traditions have been lost over the years. Gone are the days when the Knights would show scared new students to their classes and around campus. No longer do they park cars during school activities or co-sponsor the annual Bunny Hop Dance with Moshitamoi. The members of Mosh no longer sell fudge at the Senior Play or act as babysitters for the PTA nursery. It has been several years since the Kabanokas served the teachers' lunch or supplied a fix-it-box.

But what about the other organizations that have been at Eagle Rock? Squires kept order in the stands during football games just as the Knights have during assemblies. They would also help load the booster buses for away games. Another club, Garconettes, sponsored one of the biggest dances of the year. The Hobo Hobble was the only dance in which jeans and tennies could be worn. It was always something to look forward to. Teen Troc was an organization which sponsored up to five dances a semester.

Key Club, Venderettes, Red Cross, Wawokyas, Yeomen, Lancers, Treasurettes, Athenians: the list goes on. All have helped to make Eagle Rock an outstanding school.

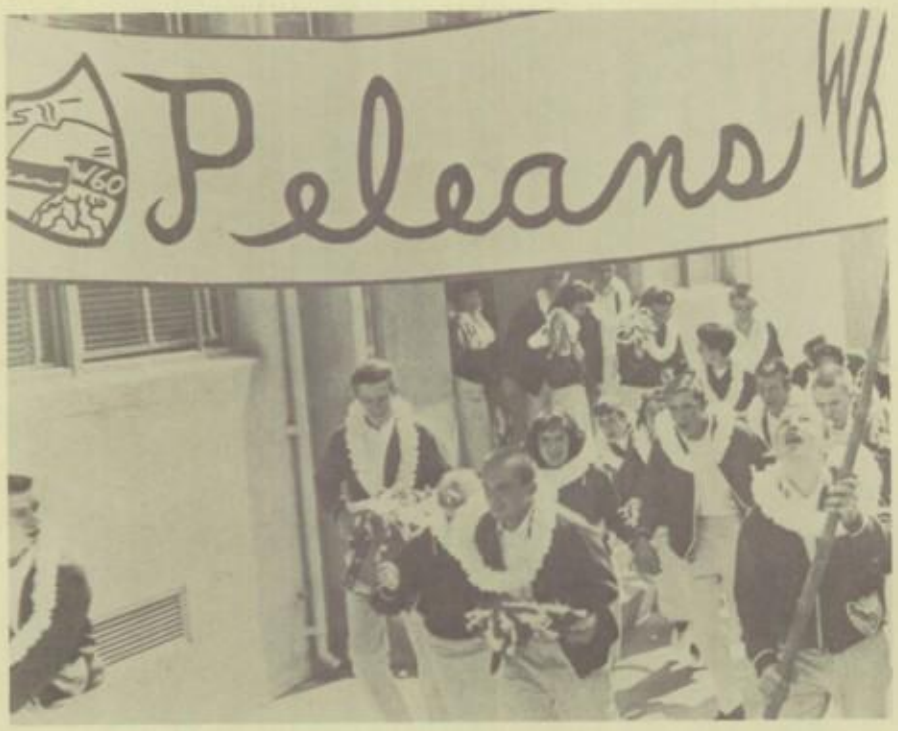
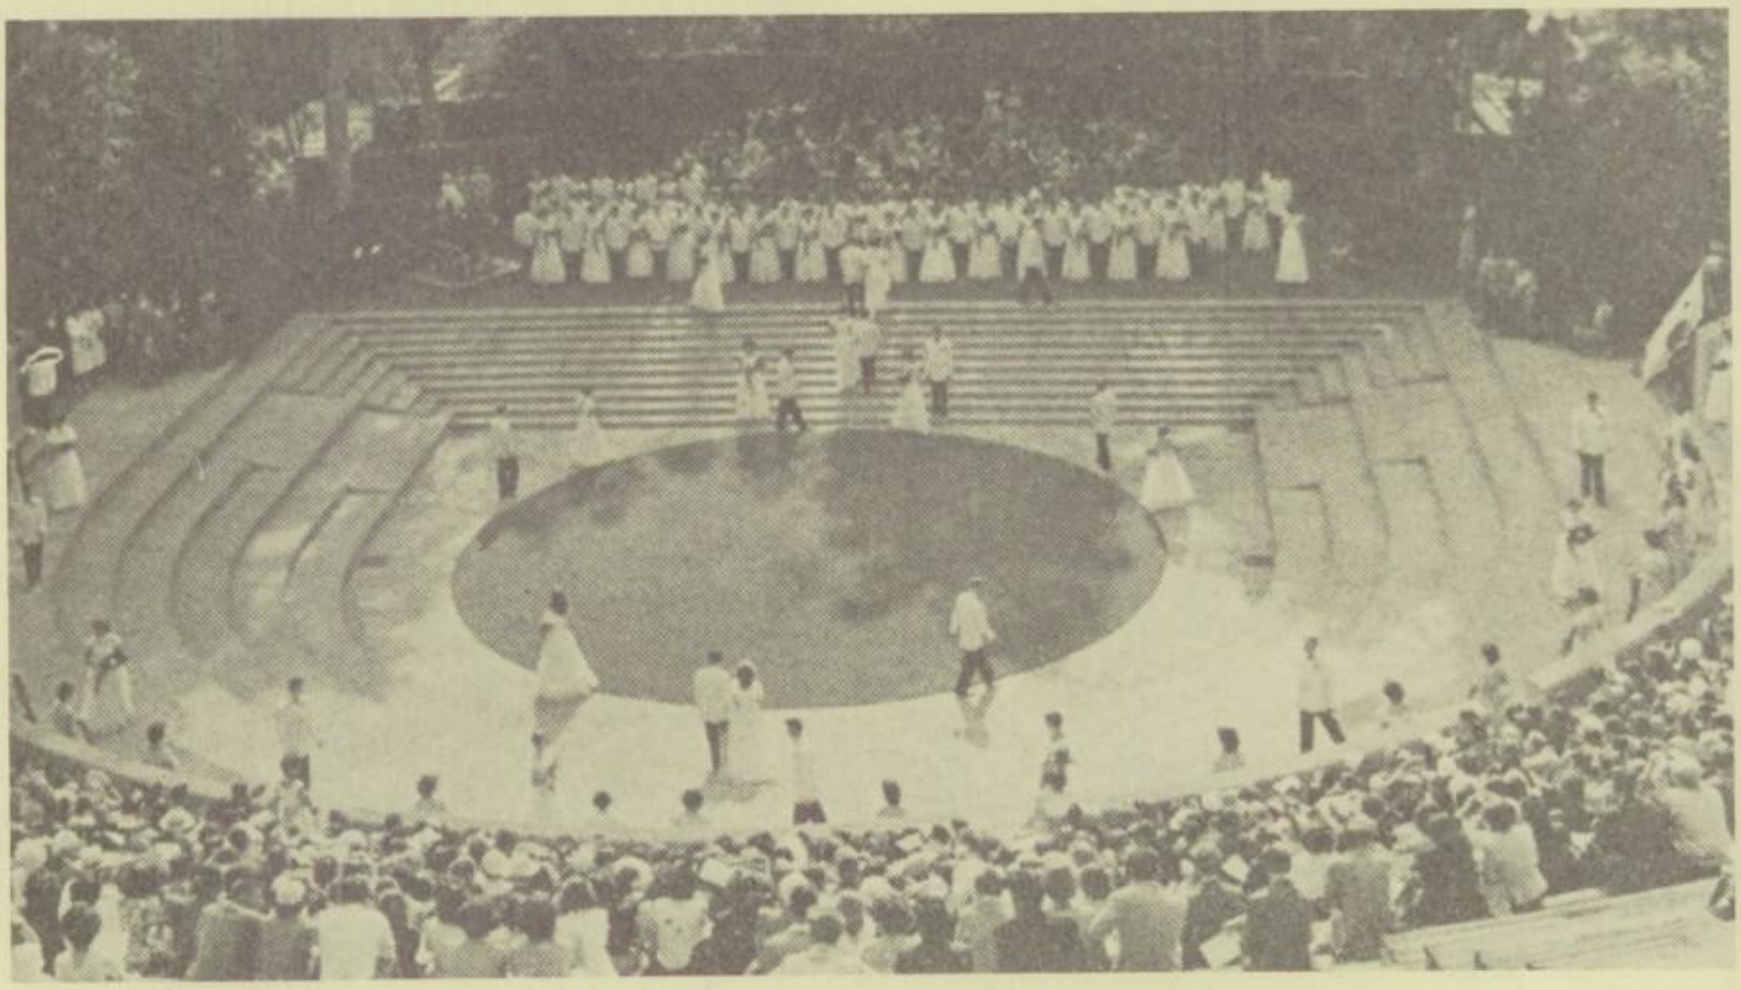
TRADITION

Sweater Day has been a junior class tradition for many years. Class name and emblem appear on the sweaters, first worn during the "run," an activity celebrated on campus.

Upon graduating, classes have always left their plaques in the walk outside the auditorium.

The Prom has always been a special night for the seniors with an evening of dinner and dancing.





One of the oldest and most beautiful traditions at Eagle Rock has always been the senior graduation. The seniors have always voted to graduate in formal attire with the boys wearing white dinner jackets and the girls wearing white formals. Eagle Rock High has been the only Los Angeles school to follow this unique tradition.

Leadership worked especially hard to make this fiftieth anniversary year a memorable one for Eagle Rock. They helped to set up a variety of activities at the Golden Anniversary Celebration. Last March the class was in charge of many activities during the Spring Carnival in April.

To raise money for such activities, Leadership had balloon sales, hat sales, food sales, and button sales. They had a Clean Campus Week when all the service clubs worked to clean up the school. Several dances were sponsored and guest performers were invited to the school. A fifieth anniversary flag contest was held. Leadership voted on the best design submitted by an Eagle Rock student. Leadership also participated in a brotherhood campaign, collecting money from students to send to the crusade.

HONORARY CLUBS

Two honorary clubs gave qualified students a place of recognition for their academic achievements. Alpha Sigma, the junior high honorary organization, and the California Scholarship Federation accepted students who received at least three A's and two B's on their report cards. Both clubs planned trips to such places as ice skating rinks and college campuses.

Mrs. Ardra Grubbs and Ms. Lu Ann Smith co-sponsored Alpha Sigma last year working closely with the members to suggest and help with trips and other related activities. Mrs. Ann Hope sponsored the California Scholarship Federation and assisted with the ideas and plans proposed by the members of that club.

Because of the presence of these clubs at our school, the student who worked to achieve academic excellence felt accepted and honored at ERHS.

MOSHITAMOI

In 1930, a group of girls got together with their vice-principal to discuss the starting of a service club. A few meetings were held during which a name was chosen for the newly founded organization. Moshitamoi, an Indian word meaning eagle in flight, was selected.

Over the years the club has grown and changed, but it has always retained the main purpose for its beginning: to bring service and leadership to Eagle Rock High. The members of Mosh have worked hard to make their organization a meaningful one. They have sponsored car washes, food sales and other activities to raise money for worthwhile projects. One of the club's largest responsibilities has been to organize and present the events during Homecoming week, including the Court Party. Because of their work, Moshitamoi has won the honored service award three consecutive years for outstanding service to Eagle Rock.

KNIGHTS

Started in the early 40's, Knights has maintained the high standards of a well organized service club. Knight's members have been selected on the basis of citizenship, grades, and the desire to help and serve others. They can always be seen keeping the peace at assemblies.

Along with their sister club, Moshitamoi, Knights sponsored the Homecoming activities. Lucky members were selected to escort the queen with her court during the Homecoming game. The Knights also participated in the graduation ceremonies by accompanying the rope girls through the procession.

LET THE MUSIC PLAY

A new sound came to Eagle Rock High when Mr. John Rinaldo moved to California from Illinois in 1968. What he brought with him was jazz. Eagle Rock's nationally recognized jazz band program began.

The Senior Jazz band started in 1969. They have won contests and awards steadily since 1970. Many ex-members have found positions with professional bands.

The Junior Jazz band started in 1973. It exposed musicians to jazz and gave them more time to improve their skills before moving up to Senior Jazz. They have won a large number of prizes on their own.

For the last couple of years there have been monthly concerts at ERHS featuring our band and numerous well known jazz artists. This year, Senior Jazz played at football games, assemblies, and a Highland Park parade. They also worked on their second record album. Both jazz bands had a heavy schedule of contests, including the prestigious Monterey Jazz Festival.

Presenting the news for the past 50 years has been the job of the Eagle's Scream staff.

Since 1927 the school's paper has had only four advisors, one hundred editors-in-chief and immeasurable reams of paper.

The first editors of the paper were Robert Lang and Donald Sumner. Elizabeth Wood was the first advisor.

Golden anniversary editors JoAnne Tracy (fall) and Brian Arndt (spring) with Mrs. Barbara Rivera as advisor put out a paper that was just as current with present issues as the first paper was with the issues of the 20's. Journalism expanded to new dimensions over the 50 years and the Eagle's Scream certainly changed with the styles.

TOTEM STAFF

The first edition of the Eagle Rock High School yearbook was actually published in 1929 although the school opened in 1927. The 1929 yearbook staff chose the name "Totem," the Indian word for the spirit which embodied the ideals of the tribe. Marjorie Wilder served as editor for this first annual which contained only 76 pages and had a paperback cover.

Two years later in 1931, the Totem had its first hard back cover. Use of color began in 1963 and the 1974 Totem produced the first Eagle Rock High School yearbook to reach 200 pages.

Totem 1977 is the first yearbook to exceed 240 pages and contains the most extensive use of color. All these additions seemed appropriate as Eagle Rock celebrated its Fiftieth Anniversary. The Totem tried to capture most of the exciting events and moments of this golden year.

Ghislaine Monique~

Well babe, where do I begin after have 4 super years of friendship with you [redacted]. I'm really glad that we've stayed close through everything. Lots of friends end up going their own ways & that's why I think it's great that we've been talking & doing things together as the year comes to an end. This way, we'll keep in touch. It seems like we always or at least try to understand each other & it sure helps to have a friend you can turn to when there's a problem, besides just having good times together. Good times — shopping, Farmer's Market (yummy - roast beef sandwiches!) movies, Court Party & just recently, David's birthday party. I'm so glad that you are going to Grad Nite. We're going to have a grand ol' time. Just think, in a couple of weeks we'll be talking about how Grad Nite was. It better turn out good. I know it will with [redacted] there. I hope you work out all these 'shock cities'. If you're confused; just don't rush into anything & have a good time while you're trying to figure out what's going on. Had to say anything about & #40 Scott is he's always so unpredictable. I remember doing at #42 except at all those football games. Man was fun. Wright Drill Team 1975 — stuff for the homecoming together last year. But I wish we would've done more the good ol' gang. Just don't [redacted] some of my other friends are more important to me than [redacted] like everybody for what they are. I wonder who we'll be meeting & stuff next year. Don't roomate? I hope I get somebody compatible with me for my everybody. The worst part about going away to college is losing touch w/ sometimes. I know we'll keep in touch but with [redacted] really get scared I wonder how much things will change. I know I'm going to

Athletics is one of the basic foundations in starting a new school. Such was true when Eagle Rock opened in 1927. Sports gives the students a feeling of competition along with a chance to exert energy.

Eagle Rock had five sports offered in 1927. They were football, track, baseball, tennis and basketball. The basketball team was chosen from a melon-tossing competition. At this time in athletics, it was common to compete against teammates rather than opposing schools. Basketball was the only sport offered to girls. Dances after these games were very popular.

As years progressed there became a greater variety of sports at Eagle Rock. In 1932 the first golf team played at the Chevy Chase Country Club. Student ability improved as the school continued to grow. Richard Lindsley, player of the year, went all city and led the basketball team to a City Championship in 1938. Richard Powell and Jay Helman also went all city. Doug Dunlap, who scored 68 points in 1967 against Lincoln, holds the city record and Larry Anderson was the city's leading scorer in 1966.

In the past swimmers did well. Bruce Brown in 1963 held one of the top times in the nation in the 400 yard freestyle. Both Brad Gilman in 1970 and Tom Maddocks in 1974 set two new city records each. Excellent Tennis players such as Ben Taylor, Ron Hightower, and Ray Maeno originated from here. Jeff Lewsadder, Abbott DuGalley, Dick and Bill Getzelman were all good gymnasts. Joe Lasario took first place in City in Rope Climbing competition which is no longer an event. Kenny Griffin and Bill Matheson were gymnasts who went on to the Olympics. In Track and Field, Rick Carey won the Golden West Championship in the high jump and Dave Brown won the City Shot Put in 1968.

In Baseball, Tom Impliazzo went all city and was a first draft choice to the San Francisco Giants. Steve Wahl was another great athlete. In Baseball he was the first draft choice of the Cleveland Indians. Steve also went first team all City as a quarterback in 1968. Other great football players were Dave Brown, Allen Shields and Bill Kennison.

Eagle Rock definitely has had its share of good athletes due to a good sports program and a fine coaching staff.

The Varsity Football season was a year of disappointment for The Rock. Their overall record of 3-6-0 was deceiving because the team was actually much stronger. A fifth place finish in the Northern League was disappointing from a won-loss standpoint; but the season was filled with many exciting moments, including the Eagles' near upset of Wilson (28-25), the 1976 3-A Champion.

Coaches Johnson, Lew, and Hashimoto are to be given great credit for molding a competitive team from the little material they had to work with. Besides winning, the coaches instilled sportsmanship, discipline, and companionship. A few of the athletes received all-league mention. No matter what the final score of any Eagles' game the opponents knew they had met The Rock.

The annual Varsity Football Banquet was held January 4, 1977, at Pikes Verdugo Oaks. The players honored were: Outstanding Defensive Player Joe Hall; Outstanding Lineman Jay Blohm; Outstanding Back Joe Tinghitella; Most Inspirational Kevyn Leiner; Most Improved John Meiding; 101 Percent George Vercelli; and Most Outstanding Player Mark Georgette.

The Eagle Rock Bee's came close to capturing their fourth consecutive Northern League title with an overall record of 6-2-1, and a 4-1 record in Northern League play. The Eagles entered league action with a 2-1-1 practice record including a hard fought 6-6 tie with South Pasadena's usually powerful Tenth Grade Team.

The Eagle Bee's opened Northern League play with three decisive victories over Belmont, Wilson, and Marshall. This set up the 1976 Northern League championship battle versus the Franklin Panthers on Homecoming night. The score was deadlocked 0-0 in the fourth quarter when a Franklin defensive back returned a punt 70 yards for a touchdown. Franklin's victory, 6-0, ended the Eagle's Northern League consecutive victories without a loss at 19 games and ended their championship string after three straight years. The Eagles closed out Northern League play with a 21-6 victory over Lincoln.

VARSITY ENTERS PLAYOFFS

When the Varsity Basketball's season started, their prospects looked dismal. They were a team who had only one returning Varsity player, who was Craig Tom. But as the season rolled by, the team showed much improvement. Galen Morton picked more rebounds off the boards and Donny Haymaker helped out with his scoring. Donny scored games of 50 points against Belmont and 42 against Carson in the City Play-Offs. He averaged a score of 23 and was the seventh leading scorer in the City.

The awards at the end of the season were well deserved. Donny Haymaker received Most Valuable Player and Leading Scorer. Galen Morton was awarded Most Improved and Best Defensive while Steve Kramer was the most dedicated. Captain went to Craig Tom and a tie for Most Inspirational went to Mark Georgette and Robin Pearce.

J.V.'S UNABLE TO DEFEND TITLE

After capturing the Northern League championship last year the outlook for the team was optimistic. However, a series of setbacks and close defeats made up a disappointing season. Two victories over Jackson highlighted the 2-16 season. The team was coached by Eagle Rock graduate Bill Whiting.

Mike Conte, leading scorer for the team, was elected most valuable player. The team captain was Danny Mejia. The honor of best defensive player went to Kirk Hiura, while Julio Andrade was named most improved.

The Cee Basketball team, coached by Mike O'Keefe and captained by Ozzie Flores, filled the fourth position in the final 1977 Northern League standings. They finished their season with a 4-6 record in league play.

At the awards banquet, held at Pikes Verdugo Oaks, Steve Rodgers was awarded the Most Valuable Player. Other awards received were: Jim Stone- Most Improved; Albert DePorto- Best Defensive; Cesor Tungol- Most Inspirational.

A DIFFICULT SEASON

FRONT ROW: Patty Harsch, Michele Finn, Becky Algeria, Liz Ward, Carol Haymaker, Carmen Castro, Isabel Shepard BACK ROW: Miss Anderson, Elena de la Vega, Sandie Steinback, Donna Birch, Jane Eilers, Sandy Humphrey, Sonja Mandjikov, Patty Haymaker, Raelyn Block

The girls' basketball teams did well this season considering this was their first year working together. No coach was available last year, so when Mrs. Anderson began working with the teams she had to start fresh. Fifteen girls went out for both the Varsity and Bee teams; therefore, substitutes were hard to find.

For the Bee's season Carol Haymaker was an inspiration to the team, as well as an outstanding player. The Varsity team won two games with six-foot Jane Eilers rebounding; Carmen Castro making fast breaks to score; and Donna Birch shooting from the outside.

CHEERLEADERS BOOGIE DOWN

Throughout Eagle Rock's history, cheerleading has played a major role in motivating school spirit and pride. This year's Varsity squad was the first ever to attend a cheerleading seminar. The techniques learned proved effective in organizing and directing school spirit at most athletic events. Although times and styles change, cheerleading goals remain the same.

Varsity and Bee squads join together to cheer.

SPIRIT

Spirit is something that helps to lift the confidence of the athletes. It also gives students time to do something productive for the school. It is important to recognize those who are promoting the spirit. This year there were three new organizations created to promote the Eagle Rock spirit. All three were successful. The Banner Girls and the Twirlers added something extra to the half-time show.

The Banner Girls, with their homemade banners, marched out onto the field with the band. They were Karen Giss, Lee Ann Houck-(head), Lisa Bukovitz, Francesca Cho, Jeri Lynn Burden, Janet Wilson and Gwynn Copeland. In front of them were the five twirlers. Elena Gonzales, Maria Ybarra and Lynn Braun were led by Captains Debbie Brosell and Rosanne Paddio. They made up new routines each week which coordinated with the Drill Team show. Their routines consisted of figure eights, two-handed spins, shoulder rolls, and thumb tosses.

The Eagle Troopers were a group of students who came to the basketball games and cheered. They grew in size as the season progressed. They brought instruments, bananas and candy to the games to help encourage the crowd to participate. Officer Chuck Foote showed up with the Troopers and helped to enthuse the crowd. It is spirit like this that makes competition fun and exciting.

GiGi, you know, I feel I've know you for ancient times. I'll never forget the good times we've had as friends. I wish you the best of luck in your new soukanduos. It is really hard to write something to you. At times we've had our disagreements but I'm glad the out come has ended in a good way. We have alot of memories which I will hold deep in my heart. It feels as if I won't see you again until our reunion, you moving away and all but I do hope you write me sometime. Take Care of yourself and be good. Lots of love always Dawn '77

DRILL TEAM '76 has proven itself to be more than number one this year. Eagle Rock High can be proud of their drill team for performing superior half-time shows. Homecoming '76 was the highlight of the season as the girls saluted nostalgia. Keeping in the spirit, drill team surprised the audience with shimmers of gold to honor Eagle Rock's 50th anniversary.

Sponsor Mrs. Grace Ullom directed a drill team full of spirit and perfection. Captains Dawn, Janice, and Heidi made drill team a golden memory.

BAND ON THE UPRISE

This year's Marching Band had a successful season. Led by Majorette Yvette Sanchez under the direction of Mr. John Rinaldo, the band proudly marched onto the field in the formation of the letters E R during the Homecoming game against longtime rivals Franklin. Their boisterous music boosted spirit and pride for our school.

PEP CLUB GETS GOING

"SPIRIT!" certainly is the word for this year's Pep Club, which consisted of about 90 girls. They showed much dedication towards our Bee Football Team as they cheered them through both victories and defeats. Under the direction of Mr. Bagley and Captain Cheri Willis, Pep Club really did an outstanding job for 1976.

After last year's outstanding season it seemed almost impossible for both teams to duplicate their league championships; but with two six foot girls returning to Varsity and new talent trying out, both the Varsity and Bee's were able to repeat as City East Champions.

The Varsity, coached by Sonya Most and captained by Janice Fonteno, completed their regular season with a 10-2 record and a 9-1 record in league play. Led by Janice Fonteno and Jane Eilers, an outstanding junior, the Varsity entered post season play for the second consecutive year. In the playoff pool, the team captured the fourth position and was unable to continue in the competition.

The 1977 Bee's won their second consecutive outright title. Led by captain Mary Teodo, the Bee's entered playoff competition undefeated with a 12-0 record. In the playoff pool the team ended up in second place.

BADMINTON LACKS EXPERIENCE

Unfortunately badminton had an upsetting season winning only one game. This was partially due to the fact that they were an inexperienced team and never reached their full potential. Four girls made the playoffs: Kandis Bates, Pat Alatorre, Raelyn Block, and Donna Birch, but they lost in the first rounds. Badminton tied for third this year, but Mrs. Ullom has high hopes for the team next year.

The Eagle Rock High Swim Team received a new coach for the 1977 swim season. Mr. Duke, the new coach, had a big task to perform. His task was to rebuild the Varsity swim team, which was almost completely annihilated when all the seniors graduated in June of 1976. Mr. Duke accomplished his job by building up the varsity and Cee team. In only the second meet the team proved how powerful they were when two Bee records were broken by Mike Miao in the 500 Freestyle and Pam Miao in the 200 individual medley.

CEES MAKE BIG SPLASH

GYMNASTS MAKE A STRONG TEAM

When the Boy's Gymnastics team started out this year they had a very potential team. Their outlook was excellent and their strongest events were the high bar, vaulting and free exercise. They had three top returning performers who competed in all six events. They were Rod Patwell, Tony Boscarino and Larry Thompson, all who are to return next year. Angel Rojas excelled on the side horse. Donna Gilio was the first girl ever to compete on the Boy's Team. This team is extremely strong but more important they are young. Randy Sherrick was the only senior. Prospects for next year look good for Coach Haase and his team.

Gymnastics was a strong sport this year. The Girl's Team scored the most points, 149 against Verdugo Hills, in only their second meet. This is the highest amount ever scored in competition. The whole team is strong and along with the boy's they are also young. With no seniors they had eight returning members. They are an all around team. Top Performers included Linda Burgio and Ruthy Bashum. Mrs. Chan felt that this was the most enthusiastic and dedicated team she has ever had.

The 1977 baseball season saw a team composed of nine seniors and five juniors do a creditable job in Northern League action. After a slow start, the Eagle's batsmen picked up some momentum and represented the school well. They also participated in Glendale's Babe Hermon Easter Tournament. They had notable improvement and have five returning players, Kevin Grace, Bob Gilling, Charlie Fernandez, Mike Conte and Ron Tyndall.

The Junior Varsity team this year worked with two new coaches, Mike O'Keefe and Steve Wahl. These coaches helped to unify the team and bring them through tough competition. The team had never worked together with the exception of Chester Cusimano and Kevin Martin who were returning players. Top performers included pitchers Mike Flores and Kurt Kostiv. The team showed great improvement as the season progressed.

For the first time in Eagle Rock's history a girls' sport had an all male coaching staff. Many girls demonstrated talent under the guidance of Mr. Nakatani and Mr. Hanson. The team had rough competition ahead of them and worked diligently at each practice. Mr. Hanson felt that the team would do a sufficient job during the season. It was new ideas like this that helped to show Eagle Rock's 50 years of progress.

This year a new sport was introduced once again to our school. Golf. being coached by Mr. Johnson was composed of twelve members. They practiced at Brookside Country Club and played their matches during the beginning of the week. Top performances were given by Jack Gutierrez who shot an 96 against Verdugo Hills and Steve Kolar.

LEAGUE TOUGH FOR STRIDERS

The Varsity Striders had a disappointing season, ending the year with a 0-5 won loss record. Although the team lacked depth and encountered many setbacks, the season was not without its highlights.

Senior Mark Lewis and junior Pat Brennan both put forth many outstanding performances. Mark Lewis set a new school record in the three mile course at Pierce College with a time of 15:30. He also established a new course record at Peck Park, captured the Northern League individual cross country championship, and was highly rated going into the 1976 City Finals at Pierce. Pat Brennan, only a junior, also had an excellent season as he placed high in the Northern League finals and advanced to the city semi-finals.

The Tenth Grade Cross Country Team culminated an excellent season with an eight place finish in the city finals held at Pierce College December 11. The Eagle Striders ended their Northern League campaign with a 4-1 record. Their only loss was to Wilson's championship team.

As the competition stiffened, the Eagles improved markedly. Going into the city finals the team was picked for a second place finish but due to a last minute injury to Anthony Medina the team's chances dimmed. This let down seemed to break the backbone of the team as they could only capture eighth place in the overall standings.

Tenth grader David Raba proved to be the most outstanding runner as he established a new school record of 11:46 on the two mile course at Pierce College. David's most outstanding accomplishment this season was capturing the 1976 Northern League Individual Championship.

VARSITY LACKS DEPTH

Coming off last years 7-1 season it was too early to make predictions but the outcome of the 1977 season depended on hard work and determination. Due to a lack of depth many of the runners had to double in events in an effort to receive valuable dual meet points. The strongest events were the 330 intermediate hurdles, Greg Davis; one and two mile runs, Mark Lewis; pole vault, Charles Suey and David Cross; and the high jump, Mace Hanley. In the sprints we had Joe Tinghitella while Rod Beattie and Pat Brennan led the way in the 880.

The Bee track team was very competitive in Northern League dual meet competition this season. The strongest events were the hurdles, Richard Harsch; and the sprints, Richard Rodriguez and Steve Gonzalez. The distance runners were led by Leo Bidstrup-880, and Matthew Prehn-mile. In the field events top marks were turned in by Ron Spielman in the pole vault, and Leo Bidstrup in the long jump.

BEE TRACK RUNS FOR TITLE

CEE TEAM LOOKS GOOD

The outlook for the 1977 Cee track team was very good. The team was led by returning letterman David Sanchez, who turned in outstanding marks in both sprints and the long jump. Hank Bronk was the top distance runner while David Jew produced good times in the hurdles. The top performers in the field events were Mike Segovia-high jump, Ron Gilner and Greg Staron- pole vault, and Tony McKenzie in the shot put.

GIRLS MAKE NEW STRIDES

The newest addition to Eagle Rock's athletic teams in 1977 was Girls Track. This was a whole new experience for most of the girls who had never before competed in any type of organized track competition. The coaches were given a month of training time to mold a competitive team for the first practice meet.

The strongest events looked to be both the 100 and 200 yard dashes, medley relay, two mile run, and 880 yard run. Patricia Alatorre and Sabrina Fulgoni led the team in sprints while Vilma Iglesias and Debbie Lorenz were the top distance runners. Lisa Smith was the top hurdler and Kelli Jorgensen produced excellent marks in the high jump.

TENNIS ANYONE?

The Eagle Rock girls' tennis team captured their fifth consecutive league title. Their only loss during regular season was a league set-back to the Wilson Mules.

The most outstanding players this season were Kathy Tso, Donna Deane, Jeannette Papp and Debbie Hakonson. The doubles team of Bonnie Poyorena and Vickie Benson went through the regular season undefeated.

In the first round of the playoffs, the team defeated South Gate, 4-3, but were eliminated from post season play when they were soundly defeated by the powerful team from Grant High School, 0-7.

The outlook for the 1977 boys' team was very optimistic, according to coach Hal Stepteau. The results of the season depended on the performance of the many 9th and 10th graders. But with talent abounding, the team was expected to do well in league play. Veterans Danny Martinez, Brian Williams, and Paul Bleam were expected to carry the load for the two time defending Northern League Champs.

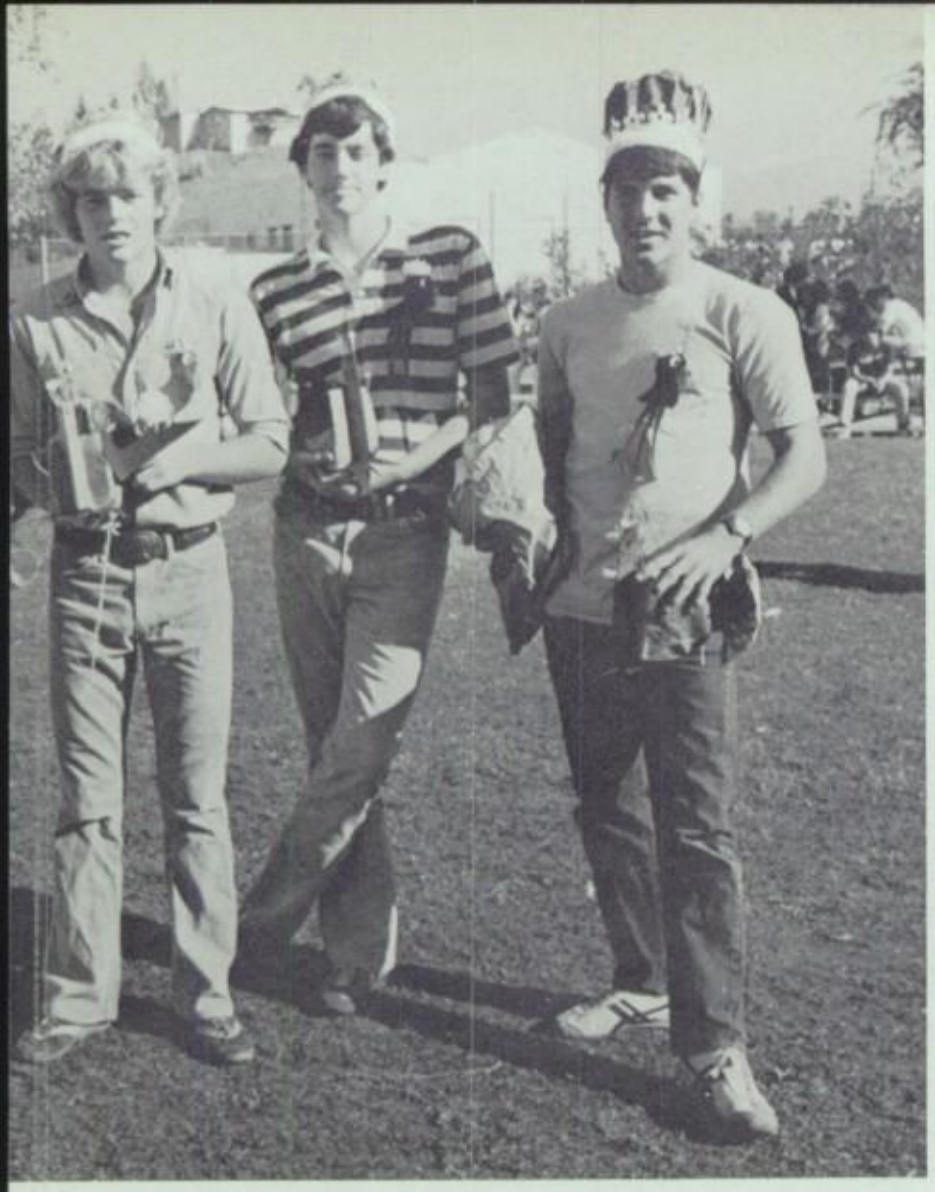
Debbie Wong breaks into the open for a big gain.



KING TURKEY CROWNED AT POWDER PUFF

The annual Powder Puff football game was held December 14, 1976. The game was preceeded by a procession and crowning of the King Turkey Court. The 1976 Court consisted of King Kent Jorgensen and his Gobblers: Rod Beattie, Pat Zois, Kevyn Leiner, Jeff Ratay, and Tucker Gilman. They arrived in a decorated tractor and were crowned by five girls from drill team and cheerleading.

After the procession, the Seniors played the Underclasspersons. Cheerleaders, twirlers, banner girls, and drill team members played on the teams. Bee and Varsity football players aroused spirit by masquerading as cheerleaders. The football drill team entertained the students at halftime.

The score of the football game was deadlocked 0-0 until Rosie Carbajal intercepted a pass and returned it for a touchdown. Debbie Wong added the two point conversion to make it 8-0 in favor of the Seniors. With only five minutes remaining Debbie Wong broke loose for a touchdown to put the game out of reach. Final score: Seniors 14—Underclasspersons 0.

Both teams join together for the alma mater.

George Hernandez and Sergio Ojeda model the newest in drill team fashion.

Rosie Carbajal and Debbie Wong rejoice after a Senior touchdown.

E.R.H.S. EXPERIENCES
A VARIETY OF ACTIVITY

During the year at Eagle Rock, Leadership discovered many interesting groups to perform in student assemblies. One group which was very well accepted by the students and faculty was the Multi-Ethnic troupe. Other performances enjoyed by all were the Shakespeare and improvisational groups.

NEW ACTIVITIES MARK 50TH YEAR

Our 50th anniversary this last year was marked by many special assemblies. The faculty once again challenged the Varsity Football team to a basketball game. The faculty won.

Kent Jorgensen and Teri Scott were elected as our new Student Body President and Vice President. The annual Christmas dance kicked off winter vacation with a semi-formal evening in the gym, which was decorated by Fall Leadership. Tendor played for the dance.

The Modern Dancers were busy with a variety of activities this year. They participated in many workshops and seminars on dance and attended dance concerts to increase their knowledge and enjoyment of the medium. The most interesting workshop was at California State University Long Beach in January.

The class participated in the P.T.A. Christmas show performing a suite of three dances. The high-point of the year was the second annual Spring Dance Show. Students choreographed the program. Modern and jazz music accompanied the group. Dorothy Sullivan and Arthur Widawski performed a Pas de deux.

DRAMA PERFORMS IN MANY WAYS

Every year Mr. Craig's junior and senior high drama students travel to various local schools to promote the United Crusade Drive. This year they performed skits and short plays which they wrote themselves. Their skits provided entertainment for the children and encouraged them to support the campaign.

THE NIGHT OF JANUARY 16

This spring the senior high drama department presented their annual play titled "The Night of January Sixteenth." A three act mystery comedy, the play enacted a trial scene with a jury chosen from the audience. The jury decided the verdict for the play's cast.

SPRING SPIRIT

The week preceeding the 50th anniversary celebration March 13-18th, was set aside as clean campus week.

Leadership sponsored a number of activities to encourage a cleaning mood. Monday during lunch, Halo, mainly an alumni rock group, performed in the quad. Friday during lunch a contest was held between the juniors and seniors to see which class could collect the most trash. Fiftieth anniversary hats, buttons, and balloons were sold on Friday.

The annual junior/senior day competition took place on March 3. The main events were a tricycle race, a tug of war, and a three legged race. Amicus, class of '78, won the tug of war against Kamaainas, class of '77.

Eagle Rock High School celebrated its 50th Anniversary Saturday, March 19. A Program in the auditorium kicked off the gala affair. Cheerleaders, Banner Girls, Baton Twirlers, Honor Guard, Drill Team members and the Senior Jazz Band performed for alumni who filled the auditorium. "Five Decades," a film produced by the cinematography class, brought back fifty years of memories for its viewers.

Many dignified guests welcomed more than 3,000 alumni and friends who enjoyed the celebration. Mayor Bradley, Councilman Arthur Snyder, Superintendent William Johnston, Area H Superintendent Alfonso Perez, Area I Superintendent Bob Lampson joined board members Dr. Docter, Richard Ferraro, and Diane Watson in greeting alumni who came from as far as New Jersey. State Senators Richard Alatorre and Alex Garcia also made presentations.

At least fourteen persons from the graduating class of 1929 attended the ceremonies. Former principals Robert Kelly, Dr. Charles Sutcliffe and Charles Hamer also were visiting. Former vice-principals Margaret Ne, John Shepard, Barbra Smith and Robert Curry Joined in the commemmoration activities held in the gymnasium.

Leadership sponsored booths for money making activities. Photo Club sold buttons with a picture of the Eagle Rock H.S. tower. Totem staff sold more than 65 yearbooks to alumni. Mr. Kaufman and his staff distributed their special anniversary publication entitled THE FIRST 50 YEARS. Eagle Scream staff sold an extra large, special edition of the school newspaper.

E.R.H.S. CELEBRATES FIFTIETH BIRTHDAY

STAIRWAY TO HEAVEN

The Sweetheart Swing has been, throughout the history of Eagle Rock High School, one of the most popularly attended dances.

Sweetheart Swing 1977 was the final dance held in the old Girls' Gym. The evening's highlight was the pinning of the 1977 Court: Queen Pam Tom and Princesses Robin Muzingo and Lisa Brown. The pinning ceremony came to a close as the theme song, "Stairway to Heaven" was played in honor of the Court by the band, Parental Guidance.

ABOVE: Princesses Lisa Brown and Robin Muzingo await crowning of the Queen.

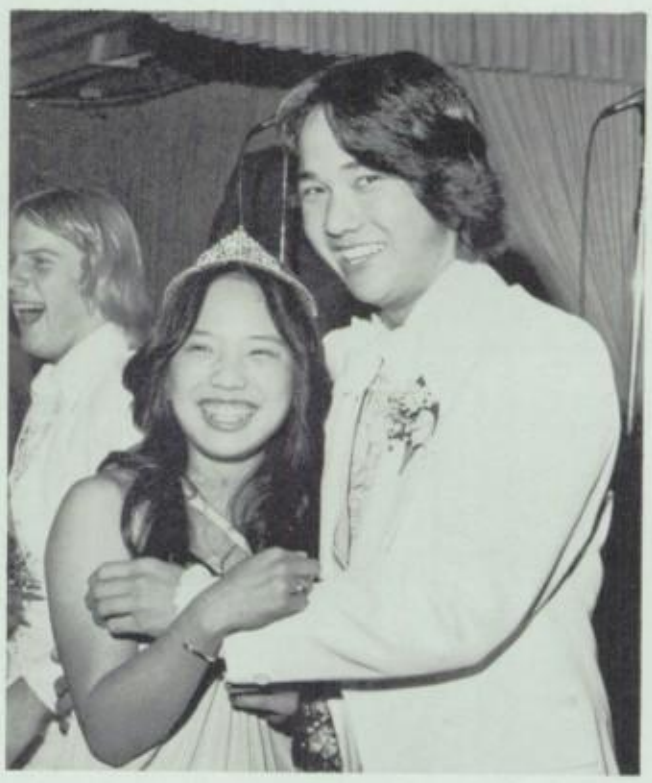
YESTERDAY

The Senior prom was attended by more than 180 couples. The dance was held in the Starlight Room of the Sportsman's Lodge with the theme "Yesterday." The coronation of the Queen and the prom court highlighted the evening. "We the People" performed while Queen Debbie Wong reigned with her court Paula Blakelock, Judy Cairo, Pam Tom, and Monica Vargas.

Eagle Rock students eagerly await the band to perform.



Pam Shane dances with chaperone Mr. Houlemard.

Julie Erickson rocks out to "We the People."

Craig Tom congratulates Queen Debbie Wong.

ACTIVITIES OVER THE YEARS

GREEN AND GREY

Green and Grey, Green and Grey
We will do whatever you say
We're the boosters of Eagle Rock High.

In and out, hear us shout
We're the school to talk about
We're the boosters of Eagle Rock High.

Then it's hi, hi, he,
We're the school of jollity
Join in our song ye student throng!

Where'er you go
You will always know
We're the boosters of Eagle Rock High
Rah! Rah!
We're the boosters of Eagle Rock High.

Many activities have taken place over the years at Eagle Rock High School. Some remain a tradition; others have vanished with the past. Throughout the years the Alma Mater has been sung at many of the school activities. The sounds of the traditional fight song also remain familiar.

ALMA MATER

Far above the city's turmoil,
Arched by blue above,
Eagle Rock, from thee we proudly
Take the name we love.

Eagle Rock, thy symbol guides us,
By it we'll prevail
To thy courage, strength, and honor
Eagle Rock, all hail!

May our thoughts and actions tower
As we roam thy halls;
Strength and faith when duty calls us
Like thy granite walls.

May the image of the eagle
Chisled on thy side,
Ever be for us an emblem
Faithful, true, and tried.

ZIG-ZAG

Hey Leslie,
Can you believe that we're graduating and now we're all going to go our separate ways. How sad. We'll we've just got to keep in touch. I'm really glad that we became good friends. I really like talking to you about different stuff that your moving a way. You're lucky place is becoming a drag. You'll probably find a lot of jokes. Well good luck. See ya later.

Love,
Leslie

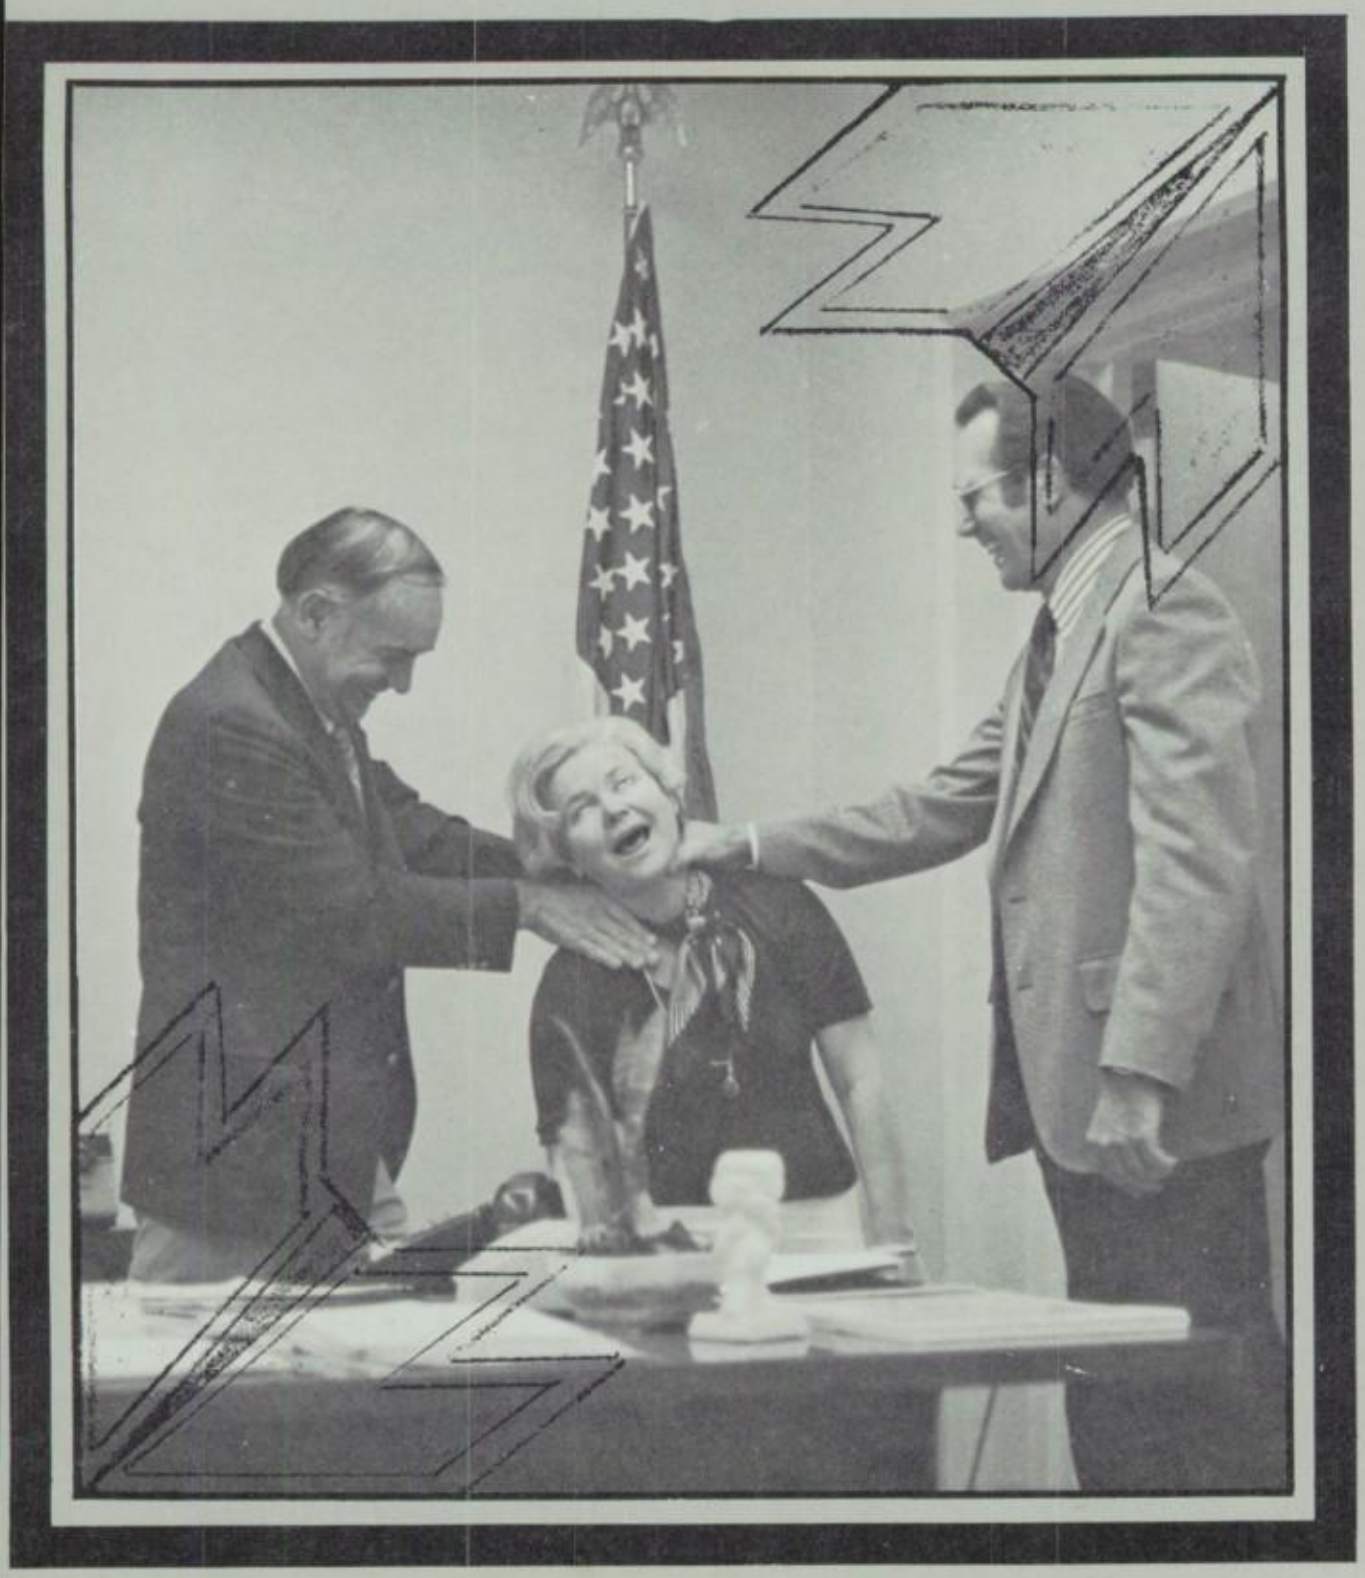
THE FACULTY



Principal Richard Ragus

"As we step into the second half century of Eagle Rock High School we are reminded almost daily of those thousands of students and staff who made their distinctive contribution to the stature of this great school. This school is more than grounds, brick, and mortar. This is a school of people—students, staff, parents, and friends.

Our students have gone on to make their mark in prestigious colleges and universities and have served their country and the Eagle Rock community unselfishly for half a century. Our staff-teachers, administrators, and classified-have served the District well in the central office and area offices. Our parents and friends, in support of students and staff, have maintained a feeling of "community" which is particularly unique in large urban areas. This warmth and concern in the Eagle Rock community has never wavered in this last half century.

We who now have the rare privilege of working at Eagle Rock High School consider ourselves most fortunate. We are ever mindful of the traditions we have inherited and feel a deep and dedicated obligation to maintain the Eagle Rock tradition. We step into the next half century with a deep sense of humility and a keen awareness of a continued commitment to our students and parents.

With the continued support and understanding of the Eagle Rock community, the Eagles will prevail."

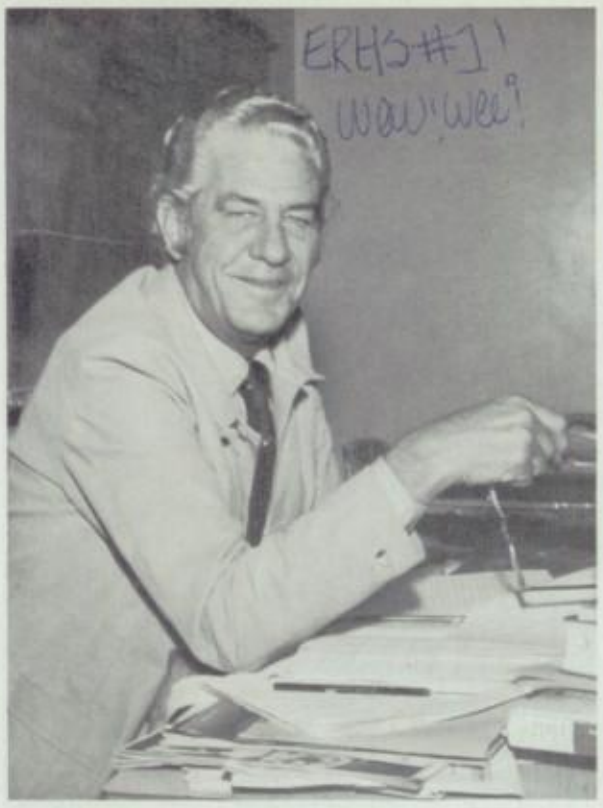
FACULTY ALUMNI



Six faculty members graduated from Eagle Rock High School.

MR. KERRIGAN HODNETT attended Eagle Rock High School from 1933 to 1937. During those four years he was on the Eagle Scream staff and served as Commissioner of Finance. He was a member of the Drama Society and Boys League. He set a high jump record while on the track team. He now teaches English.

MRS. ALTA-LEE AVANT only attended Eagle Rock High School during her senior year for one semester. After her graduation in 1947 she attended Occidental College. She taught physical education at Franklin High School and Edison Jr. High School. She was a drill team and leadership sponsor. She came to Eagle Rock in the mid 1960's as Girls Vice-Principal. Today she is Assistant Principal.

MR. JOHN SCHULZ attended Eagle Rock High School from 1946 to 1952. He was a member of the tennis and cross country teams. He played in the orchestra and was a member of the science and math clubs. Mr. Schulz came to Eagle Rock in 1969 as a science and physics teacher; in 1973 he became a counselor.

MR. MICHAEL LOMEN attended Eagle Rock High School from 1946 to 1952. He played on the Varsity, Bee and Cee basketball teams and on the Varsity and JV baseball teams. Since his return to Eagle Rock as a faculty member he has coached both these teams. He served as president of the Boy's Advisory Council and was a member of the Letterman club. He now teaches mathematics and coaches the basketball team.

MR. DAVID WALLETT attended Eagle Rock High School from 1955 to 1961. He played on the Varsity tennis and Bee football teams. He was a member of the Letterman Club. He now teaches Social Studies.

MR. MICHAEL RICE attended Eagle Rock High School from 1959 to 1965. He played on the Varsity football and baseball teams. He rang in the Acapella Choir and was a member of the Knights. He was both Senior Class president and Student Body vice-president. He won the Bank of America Award. He now teaches Physical Education and coaches the baseball team.

Liz,
I'm really glad that you
and Shane had a chance lately -
happy to hear you can stay
around a long time. I really hope
and I really do see a future. I mean
we all the other and guess
you all the really people. I'm gonna
you the new (I'm promise!) "Dakey"
sung you a way academic. Dakey
one and J. In a way academic. Dakey
and Bless. Promise!) "Dakey"
Love Ya, Carl Ellis

P.S. How are ya? Glad you are going to
U.C. Davis. Are finally going to
U.C. Davis. Are finally going to
graduate. Today. You Going to
graduate. Today. You Going to
Illinois and to keep in
moving have touch.
my address in touch.
here's 4104 E. Ashlan
Fresno, Calif. 93711
285-9129 "DON'T FORGET."

Gigi: (Scrapbook)
During this past semester
you've taken a lot of ribbing
to brad what was said was
true. Cliches! well as graduation
roles closer, partying gets nearer
I can see you're started earlier
because you're a little Speedy as
Dave would say but what does
he know. See you around and
this! high (high hopes that is)
love Aunt

I have been Delicious
Dear Gigi, I've come to

always wanted wanna keep

Dear Gigi:
Wow! It was so fun in child care this past spring semester, especially with you! It was really fun to hear all about Chris - and don't let Christy tell you he's weird! I'll miss you a whole lot - and have fun at school and your new home. Love and Luck to you always

Gigi,
Well we made it! Kinder-garten to 12th full of memories. Just look at the 6th grade boys that we use to like Davy, Jimmy Steven and all the rest and were still close to them! Well this class really brought our friend-ship back together and I've really enjoyed it! I agree that this class is full of love and I hope that you-'ll keep in touch even when you move a-way - Good Luck + Take Care

Love ya,
